AMA-YPS Final Actions

The following items were debated at the 2015 Interim Assembly Meeting. The chart below presents the AMA-YPS final actions as well as follow-up actions. These items will remain as directives to the AMA-YPS Governing Council until it determines that the action requested has been completed.

Resolution/Report	AMA-YPS action	Follow-up action
Report A: Governing Council Activities/Action Plan Update	**Filed**	---
Report B: AMA Advocacy Efforts	**Filed**	---
Late Resolution 1: Parity in Reproductive Health Insurance Coverage for Same-Sex Couples	**Recommended for Non-acceptance**	---
Late Resolution 2: Clarification of Medical Necessity for Treatment of Gender Dysphoria	**Adopted** RESOLVED, that our AMA recognize that medical and surgical treatments for gender dysphoria, as determined by shared decision making between the patient and physician, are medically necessary as outlined by generally-accepted standards of medical and surgical practice (New HOD Policy); and be it further RESOLVED, that our AMA advocate for federal, state, and local policies to provide medically necessary care for gender dysphoria. (Directive to Take Action)	Forward to the AMA House of Delegates for consideration at the 2016 Annual Meeting.
Late Resolution 3: Infertility Benefits for Wounded Warriors	**Adopted** RESOLVED, That our AMA support lifting the Congressional ban on the Department of Veterans' Affairs from covering in vitro fertilization (IVF) costs (New HOD Policy); and be it further RESOLVED, That our AMA work with the American Society for Reproductive Medicine and other interested organizations to encourage lifting the Congressional ban on the Department of Veterans' Affairs from covering in vitro fertilization (IVF) costs (Directive to Take Action); and be it further RESOLVED, That this resolution be forwarded for immediate consideration at the 2015 Interim Meeting of the AMA House of Delegates. (Directive to Take Action)	Forwarded to the AMA House of Delegates for consideration at the 2015 Interim Meeting. This resolution was considered as Resolution 223, which was subsequently referred.
