Call for Candidates for AMA Nomination for
the ACGME Review Committee for Radiology

The AMA is soliciting AMA member candidates for nomination by the AMA Board of Trustees to serve as members of the Accreditation Council for Graduate Medical Education Review Committee for Radiology (ACGME RC-RAD).

**NOTE:** There are TWO nomination opportunities for the ACGME Review Committee for Radiology:
- One position requires expertise or fellowship certification in Cardiothoracic/Chest Imaging.
- One position requires expertise or fellowship certification in Musculoskeletal Radiology.

**TERM**
The term of each these positions is 6 years, from July 1, 2019, through June 30, 2025. Review Committee members who have resigned before completion of the 6-year term cannot be appointed to another Review Committee for at least 2 years.

**TIME REQUIREMENT**
Nominees must be able to devote sufficient time to the Review Committee’s work. The Review Committee for Radiology meets twice a year, usually in January and April, with an occasional third meeting scheduled if necessary. The duration of meetings is 1 to 3 days. At times, the Committee may meet via conference call according to each meeting agenda. Review Committee members must attend all Review Committee meetings.

Nominees must have sufficient time to review program information (an estimated 24-30 hours for program review assignments for each meeting), participate in subcommittee work (as assigned), prepare for each Review Committee meeting by reviewing agenda items and related documents, attend/travel to each Review Committee meeting, and participate in other activities of the Review Committee.

Anticipated meeting dates for new Review Committee member(s) are:
- Review Committee Meeting to observe – April 2019
- Two Review Committee Meetings per year – Usually during January and April

**CRITERIA FOR NOMINATIONS TO ACGME RC-RAD**

**ACGME RC-RAD Requirements**
1. Nominees must be currently certified by the American Board of Radiology and must have additional expertise or fellowship certification in Cardiothoracic/Chest Imaging or Musculoskeletal Radiology.
2. The Review Committee can have up to two members from the same state, but such members cannot be from the same institution or city/metropolitan area. Accordingly, individuals must not be nominated from the following institutions and areas:

- Keck School of Medicine/University of Southern California – San Francisco, CA
- University of Kentucky – Lexington, KY
- University of Michigan – Ann Arbor, MI
- Mallinckrodt Institute of Radiology – St. Louis, MO
- Oklahoma State University Medical Center – Tulsa, OK
- Oregon Health & Science University – Portland, OR
- Seattle Children’s Hospital/University of Washington – Seattle, WA

3. Review Committee members must use electronic systems for reimbursement of expenses and many accreditation activities, including program reviews, and therefore must have knowledge and facility in the use of computers and applications.

4. Nominees must be able to devote sufficient time to the Review Committee’s work. The Review Committee for Radiology meets twice a year, usually in January and April, with an occasional third meeting scheduled if necessary. The duration of meetings is 1 to 3 days. At times, the Committee may meet via conference call according to each meeting agenda. Review Committee members must attend all Review Committee meetings.

5. Nominees must have sufficient time to review program information (an estimated 24-30 hours for program review assignments for each meeting), participate in subcommittee work (as assigned), prepare for each Review Committee meeting by reviewing agenda items and related documents, attend/travel to each Review Committee meeting, and participate in other activities of the Review Committee.

6. Nominees must have at least 2 years’ experience as a diagnostic radiology program director with no more than 3 years since serving in that capacity.

7. For the Musculoskeletal Radiology position, nominees should be from diagnostic radiology programs with 20 or fewer residents.

8. Nominees must participate in major specialty societies, or have current or past association with other national professional organizations/societies in graduate medical education.

9. Nominees’ programs must have status of accreditation or continued accreditation.
AMA Requirements

Each nominee recommended by the AMA must be a member of the AMA at the time of nomination. If appointed, he/she must maintain AMA member status throughout the term of appointment. AMA membership does not guarantee a position. Non-members may activate their membership online at www.ama-assn.org/go/join or call AMA Member Relations at 800.262.3211.
