Call for Candidates for AMA Nomination for the ACGME Review Committee for Internal Medicine

The AMA is soliciting AMA member candidates for nomination by the AMA Board of Trustees to serve as members of the Accreditation Council for Graduate Medical Education Review Committee for Internal Medicine (ACGME RC-IM).

NOTE: The Review Committee is requesting nominees for two positions, one of which requires Geriatric Medicine certification. Requirements specific to each position are indicated below (Item #1).

TERM
The term of these positions is 6 years, from July 1, 2020, through June 30, 2026. Review Committee members who have resigned before completion of the 6-year term cannot be appointed to another Review Committee for at least 2 years.

TIME REQUIREMENTS
Nominees must be able to devote sufficient time to the Review Committee’s work. The Review Committee meets three times per year—in January, April and September. The duration of the meeting is 2-3 days, usually 2. Review Committee members must attend all Review Committee meetings.

Nominees must have sufficient time to review program information (an estimated 4 to 8 hours for program review assignments; an average of seven full reviews per meeting), subcommittee work (as assigned), as well as prep time for each Review Committee meeting to review agenda items (and related documents) and actual travel/attendance to each Review Committee meeting.

Anticipated meeting dates for new member(s) are as follows:
- One Review Committee Meeting as Observer – April 2020
- Review Committee Meetings (three accreditation meetings per year) – January, April and September

CRITERIA FOR NOMINATIONS TO ACGME RC-IM

ACGME RC-IM Requirements
1. For Position 1:
   - Nominees must be currently certified by the American Board of Internal Medicine in Internal Medicine.
   - Nominees should be currently, or be less than 5 years removed from having had been, a program director of an Internal Medicine residency program accredited by the ACGME with current status of Continued Accreditation.
For Position 2:

- Nominees must be currently certified by the American Board of Internal Medicine in **Geriatric Medicine**.
- Nominees should be currently, or be less than 5 years removed from having had been, a **program director of a Geriatric Medicine fellowship program** accredited by the ACGME with current status of Continued Accreditation.
