

Memo to: Delegates and Alternate Delegates  
Executive Directors, Member Organizations of the House of Delegates

From: Susan R. Bailey, MD, Speaker  
Bruce A. Scott, MD, Vice Speaker

Date: March 19, 2019

Subject: 2019 Annual Meeting of the American Medical Association House of Delegates

---

The 2019 Annual Meeting of the House of Delegates will convene at 2 p.m. Saturday, June 8 in the Grand Ballroom of the Hyatt Regency Chicago. We will adjourn by noon on Wednesday, June 12. The preliminary schedule is online at [ama-assn.org/annual-meeting](http://ama-assn.org/annual-meeting) along with hotel, flight and inaugural information. The Handbook, Addendum and other documents will also be posted on that website as they become available.

#### LARGER HOUSE OF DELEGATES

This year's Annual Meeting will seat 640 delegates. We will again provide an auxiliary viewing area with audio and video feeds from the House, with the space located in Riverside Exhibit Hall, which is down the escalators between the Grand Ballroom and Columbus Hall (near the staff area).

We expect the largest audience for Saturday's opening session, during which seating will be at a premium. While delegates have a designated seat, if you will be seated in the open seating area, please take only a single seat and move to the center of the row in order to accommodate everyone. During the opening session, we will be joined by a number of international guests as well as young scholars being recognized by the AMA Foundation. We thank you in advance for your patience and cooperation.

#### REGISTRATION PROCESS

To facilitate your registration on site and picking up your credentials, members of the House will be invited to complete some forms online before arriving at the Annual Meeting. We will send an email to the HOD that will include a link allowing you to complete the emergency contact information form as well as acknowledge our policies on expected behavior at HOD meetings; look for that in April. **Please note that this does not replace the credentialing process through which your sponsoring society names you as a delegate or alternate delegate.** Credentialing is a separate process required under the bylaws. We hope to lessen the crush of people just before the House opens.

#### RESPECTFUL CONDUCT AT HOUSE OF DELEGATES MEETINGS

Your Speakers would like to remind you of Policy [H-140.837](#), which sets forth our AMA's policy of zero tolerance for any type of harassing conduct by those attending AMA meetings or functions, and defines those behaviors that are prohibited. The policy also provides multiple reporting options available to both the targets of any harassment and witnesses to prohibited conduct, including an option to register complaints confidentially to our external vendor at [lighthouse-services.com/ama](http://lighthouse-services.com/ama) or via a toll-free hotline at 800.398.1496.

If you attended November's House of Delegates meeting, you will recall that a policy calling for a report on our AMA's procedures for handling harassment issues was adopted. That was the latest in a series of actions that the House has taken to ensure that all AMA events are safe and welcoming to all participants and to more effectively address misconduct, such as harassment. While that report will be presented for consideration at the upcoming meeting, all attendees are expected to conduct themselves in accordance with our policies.

#### CHILDCARE SERVICES - CAMP AMA

The third year of the childcare pilot program is underway. Children 6 months to 17 years old can participate in age-appropriate activities including arts and crafts, active games and much more in a safe, nurturing environment during the Annual Meeting. Childcare services will be available from 7 a.m. to 7 p.m. Thursday, June 6 through Tuesday, June 11 and from 7 a.m. to noon on Wednesday, June 12.

Learn more about Camp AMA and make reservations [online](#). To assure that your child has a place, reservations are required; please register by May 31. Hourly, half- and full-day options are available. The cost depends on age of the child and the choice of full, half-day or hourly service. Meals are not included but are available for purchase with advance registration.

To obtain the discount over the phone, call United Airlines Meetings at 800.426.1122 and mention Z code ZGE5 and agreement code 912085. A service fee will apply for phone transactions.

Airline and hotel information is also accessible via the meeting [website](#).

#### HANDBOOK ONLINE

The House of Delegates Handbook will be available on the Annual Meeting website no later than May 10. Likewise the Handbook Addendum will be posted as soon as it is available (on or about May 17), at which time a final copy of the Handbook that interleaves the original document and the Addendum will also be posted. In addition, an abridged handbook will be available on the meeting website. It will contain only the recommendations from reports and the resolved language from resolutions.

#### RESOLUTIONS AND INFORMATION STATEMENTS

Appended to this memo is the resolution checklist, which enumerates the essential elements of a resolution and other items. To provide better service and efficiently process business for the House of Delegates, each resolution must be submitted via email to [carla.frenzel@ama-assn.org](mailto:carla.frenzel@ama-assn.org) in the House of Delegates Office. Resolutions must be submitted in Word or plain text format; PDFs are not acceptable. The receipt of all resolutions is confirmed by a return email message. If you do not receive such a return email, your resolution has not been received. **We would appreciate your cooperation in sending your resolutions as soon as they are available (via email to [carla.frenzel@ama-assn.org](mailto:carla.frenzel@ama-assn.org)).**

All business will be posted on the meeting [website](#), and most items will appear on the website several days or even weeks before the Handbook is compiled, although materials are subject to revision until the Handbook is available.

In proposing resolutions please follow Policy [G-600.061](#), “Guidelines for Drafting a Resolution or Report,” which among other things states that “the resolution or report should include all elements required for establishing new policy as well as a clear statement of existing policy, citing the policy number.” [PolicyFinder](#) is readily accessible online. Please also note that each resolve should stand alone, without reference to preceding whereas or resolve clauses.

*Deadline dates*

Per AMA Bylaws, on-time resolutions are those that are received by close of business on May 9. To meet processing deadlines, **only those resolutions that are received by Wednesday, May 1, will appear in the initial Handbook**. Resolutions received after that date will be included in the Handbook Addendum or distributed onsite as necessary.

AMA bylaws provide an exception for a society whose policymaking body adjourns during the five week period preceding commencement of an HOD meeting (on or after May 4). These organizations are allowed seven (7) days after their adjournment to submit resolutions, except that such resolutions must be received by noon, Friday, June 7.

Late resolutions (those received after May 9 and not eligible for the exception) will be distributed on Sunday, June 9 but will be accepted as business only if approved by  $\frac{2}{3}$  of the delegates present and voting. The Committee on Rules and Credentials will submit recommendations regarding the acceptance of late resolutions following procedures previously established by the House.

Delegates are also reminded that resolutions submitted after the opening session of the House will be handled as emergency business and will require a  $\frac{3}{4}$  vote of delegates to be accepted.

*Information statements*

The resolution checklist may be used to indicate that the item is an **information statement**. Information statements are meant to bring an item to the attention of the House rather than result in some action by our AMA. Examples might include a new society resource or a description of a novel society program. An information statement will not be referred to a reference committee, unless it is extracted by a delegate because of a material misstatement of fact. Information statements do not become part of the permanent record of the meeting.

**REFERENCE COMMITTEES AT A-19**

The hearing schedule has not been determined as it depends in part on the business that is submitted, but the usual Annual Meeting committees will assemble:

<ul style="list-style-type: none"><li>- Amendments to Constitution and Bylaws</li><li>- B (Legislation)</li><li>- D (Public health)</li><li>- F (AMA governance and finance)</li></ul>	<ul style="list-style-type: none"><li>- A (Medical service)</li><li>- C (Medical education)</li><li>- E (Science and technology)</li><li>- G (Medical practice)</li></ul>

## ONLINE MEMBER FORUM

Items of business will be posted in the online member forum under the appropriate reference committee. The online member forum will be available no later than the day the Handbook is posted on the meeting [website](#) and will likely be online, at least in part, before the Handbook is available. We will send an email announcing forum availability and providing the URL as soon as it is available (approximately May 8). If you have not received such an email by May 13, please contact Patti Wargo ([patti.wargo@ama-assn.org](mailto:patti.wargo@ama-assn.org)) to update your email address. Items published in the Addendum will also be included in the forum. A summary of comments will be posted on the meeting website.

## SPECIAL ACCOMMODATIONS

Delegates and alternate delegates may request special accommodations (eg, an assistive listening device) by contacting the Office of House of Delegates Affairs. Please call 312.464.4344 or send an email to [hod@ama-assn.org](mailto:hod@ama-assn.org) so that arrangements can be made.

## ELECTIONS, CAMPAIGN RULES AND PROCEDURES

AMA members who have announced their intention to seek election in June are listed on the AMA [website](#). The rules and procedures governing campaigns can be found in AMA policy and will appear in the election manual, which will be forthcoming in mid-April and accessible through the meeting [website](#). Please recall that the rules specifically disallow active campaigning until after the Board of Trustees' April meeting. Questions concerning the elections are welcome.

### *Conflict of Interest Disclosures*

House policy requires all candidates, including those nominated from the floor, to complete a conflict of interest disclosure before the election. The election manual will include a link to previously announced candidates' conflict of interest disclosures. However, if you are considering a possible run from the floor, please contact Roger Brown ([roger.brown@ama-assn.org](mailto:roger.brown@ama-assn.org); 312.464.4344) for instructions on how to complete a conflict of interest disclosure. All inquiries and disclosures will be maintained in strict confidence, unless and until an individual becomes a candidate.

## ANNOUNCEMENTS FOR 2020 ELECTIONS

Members who anticipate seeking election at the 2020 Annual Meeting should submit an electronic announcement to Roger Brown ([roger.brown@ama-assn.org](mailto:roger.brown@ama-assn.org)) in the Speakers' Office. Announcements must comport with the rules found in Policy [G-610.020](#). Announcements submitted before noon June 10 will be posted on the candidate website and revealed to the House on the morning of Wednesday, June 12. Printed announcements of intended candidacy may not be distributed in the meeting venue.

## MEETING ATTIRE

Dress for all sessions of the House at the Annual Meeting will be business casual. That means long- or short-sleeved shirts with collars for men, and dresses or blouses with skirts or slacks for women. Jackets or sweaters are optional, and ties are not required. Those seated at the front of the House during general sessions, including the presentation of reference committee reports, are expected to wear business attire, however.

## NOT OFFICIAL BUSINESS OF THE HOUSE

Material received in the production area of the Headquarters Office at the Hyatt Regency Chicago by 5 p.m. Thursday, June 6, will be collected in a bag that will be distributed to delegates and alternate delegates at the Opening Session. At least 1300 copies are required for a complete distribution throughout the ballroom.

**INAUGURATION OF AMA PRESIDENT PATRICE A. HARRIS**

The inaugural ceremony for President-elect Patrice A. Harris will take place Tuesday, June 11 at 5 p.m. in the Crystal Ballroom, with a reception and dinner dance starting at 6:30 p.m. in the Grand Ballroom. Tickets are required for the dinner dance. Individuals should coordinate reservations, payment and seating with their sponsoring organization but may visit the meeting [website](#) to register online, or contact Registration Services in the AMA's Department of Meeting Services at 312.464.4621. Business or formal attire is requested for the evening.

**DELEGATE / ALTERNATE DELEGATE JOB DESCRIPTION, ROLES AND RESPONSIBILITIES**

Your Speakers would like to remind you of Policy G-600.031, which was first adopted by the House of Delegates in 1999. The policy provides a job description and characterizes the roles and responsibilities of delegates and alternate delegates, and we have included it here to ensure that all members of the House are familiar with it.

*G-600.031, "Roles and Responsibilities of AMA Delegates and Alternate Delegates"*

(1) Members of the AMA House of Delegates serve as an important communications, policy, and membership link between the AMA and grassroots physicians. The delegate/alternate delegate is a key source of information on activities, programs, and policies of the AMA. The delegate/alternate delegate is also a direct contact for the individual member to communicate with and contribute to the formulation of AMA policy positions, the identification of situations that might be addressed through policy implementation efforts, and the implementation of AMA policies. Delegates and alternate delegates to the AMA are expected to foster a positive and useful two-way relationship between grassroots physicians and the AMA leadership. To fulfill these roles, AMA delegates and alternate delegates are expected to make themselves readily accessible to individual members by providing the AMA with their addresses, telephone numbers, and email addresses so that the AMA can make the information accessible to individual members through the AMA Web site and through other communication mechanisms.

(2) The roles and responsibilities of delegates and alternate delegates are as follows: (a) regularly communicate AMA policy, information, activities, and programs to constituents so he/she will be recognized as the representative of the AMA; (b) relate constituent views and suggestions, particularly those related to implementation of AMA policy positions, to the appropriate AMA leadership, governing body, or executive staff; (c) advocate constituent views within the House of Delegates or other governance unit, including the executive staff; (d) attend and report highlights of House of Delegates meetings to constituents, for example, at hospital medical staff, county, state, and specialty society meetings; (e) serve as an advocate for patients to improve the health of the public and the health care system; (f) cultivate promising leaders for all levels of organized medicine and help them gain leadership positions; and (g) actively recruit new AMA members and help retain current members.

**REMINDERS**

- AMA Bylaws require that delegates' credentials be verified before **each** meeting of the House of Delegates. While this is the responsibility of the society seated in the HOD, you should be aware of the process. You may wish to check with your society to ensure that your credentials have been or will be confirmed.

- If you have moved recently but have not notified the Office of House of Delegates Affairs ([hod@ama-assn.org](mailto:hod@ama-assn.org)) please do so at once to ensure that you receive meeting materials. Address corrections, name changes and other updates made through the Unified Service Center are not transmitted to the Office of House of Delegates Affairs unless you inform the agent that you are a member of the House.
- AMA's [PolicyFinder](#) is updated after each meeting of the House of Delegates. Proposed resolutions should cite existing policy and modify current policy whenever appropriate.
- The procedures of the House of Delegates are covered in some detail in the [HOD Reference Manual](#). It may be particularly valuable for new delegates to read Chapter 9, which deals with parliamentary procedure. At the same time, all members of the House are encouraged to review the material, which could facilitate our deliberations.
- The *Speakers' Letter* will provide detailed information on various elements of the meeting and will be available in early May.

## RESOLUTION SUBMISSION CHECKLIST\*

Resolution<sup>†</sup> submitted by: \_\_\_\_\_  
(name of society, section or individual delegate)

*Whereas statements support / provide background to establish the intent of the RESOLVED clauses. You may include as many whereas statements as necessary to provide the foundation for the RESOLVED statements.*

RESOLVED statement(s) is (are) included (If not, is this an information statement? See below.)  
RESOLVED statements are requests for the AMA to take a specific position or course of action to address the concern(s) expressed in the whereas statement(s). The House acts only the RESOLVED portions of resolutions. Each RESOLVED statement must be accompanied by one of the following identifiers indicating the nature and purpose of the proposed RESOLVED:

Resolution includes a list of existing policy related to the subject. (The latest edition of PolicyFinder is available [online](#).)

To the extent possible, each RESOLVED makes adjustments, additions or elaborations to existing policy rather than creating new, possibly redundant policy.

Existing policy statements that would be superseded or deemed contrary to newly proposed policy are proposed for rescission.

Information contained in the resolution has been checked for accuracy and, if applicable, includes appropriate reference citations to facilitate independent review.

This item is an information statement. An information statement may be submitted to bring an issue to the attention of the HOD. The item will be included as an informational item but will not go to a reference committee or be acted upon in any way by the House.

1 New policy should be stated as a broad guiding principle that sets forth the general philosophy of the Association on specific issues of concern to the medical profession. If adoption of the new policy could render obsolete or supersede one or more existing policies, those policies should be identified by number and recommended for rescission or revision.

2 This designation is intended for resolutions that call for specific amendments or modifications to existing policy. Please set out the pertinent text of the existing policy, citing the policy number and clearly identify the proposed modifications. If adoption of modified policy could render obsolete or supersede one or more existing policies, those policies should be identified by number and recommended for rescission.

3 Reaffirmation of existing policy should contain a clear restatement of the existing policy, citing the policy number.

4 This designation is for use if the intent of the resolution is to have the AMA take a specific action (conduct a study, lobby Congress, etc.) Directives to take action should include all elements required for establishing a new policy as well as a clear statement of existing policy, citing the policy number underlying the directive.

Please email items of business to [carla.frenzel@ama-assn.org](mailto:carla.frenzel@ama-assn.org) in the Office of House of Delegates Affairs. The receipt of items will be confirmed via return email. This checklist may be, but need not be, returned with your resolution.
