Whereas, Vaping / E-cigarettes may be useful in helping smokers stop smoking; and
Whereas, Vaping has no other healthful purposes and these devices will, on rare occasion, explode; and
Whereas, Vaping is highly addictive, and is marketed to children, and often leads to smoking; therefore be it
RESOLVED, That our American Medical Association advocate to the Food and Drug Administration that vaping devices should be available only by prescription for smokers who are trying to quit smoking. (Directive to Take Action)

Fiscal Note: Not yet determined
