American Medical Association Conflict of Interest Policy Disclosure of Affiliations, Compliance Statement, Acknowledgement and Affirmation

Members of the Board of Trustees, Candidates, and Senior Managers

NAME: William E. Kobler, MD

AMA Trustee

Instructions for Completing the American Medical Association Conflict of Interest Policy Disclosure of Affiliations, Compliance Statement, Acknowledgement and Affirmation

Before completing this form, please review carefully the American Medical Association's (“AMA”) Conflict of Interest Policy (“COI Policy”). Please also review the related Conflict of Interest Principles, (“Principles”) which provide explanatory text and examples of the COI Policy in specific situations.

The AMA's COI Policy requires each Trustee, Officer and Senior Manager (collectively, “Leader”) to disclose annually his or her affiliations and to execute a statement confirming that, to his or her knowledge, the Leader has complied with the COI Policy. The COI Policy also applies to candidates for the Board of Trustees.

Disclosure of a Leader’s affiliations is intended to assist the AMA in identifying and resolving conflicts of interest and in managing business risk. A Leader’s affiliation with another organization does not necessarily mean that an unacceptable conflict of interest exists or that the affiliation would unduly influence the Leader. A "duality of interest" exists when an individual has a fiduciary duty to more than one organization. Indeed, a duality of interest (as opposed to a conflict of interest) is to be expected for those in leadership positions and whose participation is on a voluntary basis.

Complete each question to the best of your knowledge. Please avoid using acronyms unless the acronym is widely understood. If an interest is disclosed once on this form, it need not be disclosed again in response to a subsequent question.

If your circumstances change during the year, please promptly provide updated information on such affiliation to the AMA's Office of the General Counsel.

If you have questions about the AMA’s COI Policy or the disclosure form, the AMA's Office of General Counsel is available to provide guidance (OGC@ama-assn.org).

Disclosures of all Leaders’ affiliations will be made available to all Board members. Disclosure forms completed by Trustees and candidates for positions elected by the House of Delegates will be posted on the members’ only portion of the AMA website.
