

Receive research funding up to \$10,000

Call for applications: The Joan F. Giambalvo Fund for the Advancement of Women

The Joan F. Giambalvo Fund for the Advancement of Women provides scholarships up to \$10,000 to support research related to women in the medical profession. We are seeking innovative research proposals focusing on professional work/practice issues that affect women physicians, including but not limited to:

- Leadership training protocols
- Gender-based physician practice patterns
- Physician satisfaction or burnout
- Retention incentives
- Practice re-entry issues

The American Medical Association Women Physicians Section (WPS)—along with the AMA Foundation—established the Joan F. Giambalvo Fund for the Advancement of Women (formerly the Joan F. Giambalvo Memorial Scholarship) to promote the progress of women in the medical profession, and to strengthen the ability to identify and address the needs of women physicians and medical students.

Deadline for submission: Applications must be received on or before 5 p.m. Central time on July 15, 2019.

Apply today.

ABOUT THE AMA-WPS AND THE AMA FOUNDATION

With over 89,000 members, the AMA-WPS aims to increase the number and influence of women physicians in leadership roles, as well as advocate for and advance the understanding of women's health issues. Visit ama-assn.org/member-groups-sections/women-physicians to learn more. The AMA Foundation advances public health and medical scholarship through philanthropic support of physician-directed initiatives. Visit amafoundation.org to learn more.
