

AMERICAN MEDICAL ASSOCIATION HOUSE OF DELEGATES

Resolution: 810
(I-19)

Introduced by: Utah

Subject: Hospital Medical Staff Policy

Referred to: Reference Committee J

1 Whereas, Hospital medical staff play a critical role in the function and operations of hospitals
2 and in the relationship that physicians have with hospitals; and
3
4 Whereas, The core responsibilities of the organized medical staff are the promotion of patient
5 safety and quality of care; and
6
7 Whereas, Members of the organized medical staff may choose to act as a group for the purpose
8 of communicating and dealing with the governing board and others with respect to matters that
9 concern the interest of the organized medical staff and its members; and
10
11 Whereas, Individual physician involvement in the political process is important to the good of the
12 nation and for wise decision-making regarding healthcare matters; and
13
14 Whereas, Hospital medical staff in a nonprofit setting could endanger the nonprofit status
15 through political actions; and
16
17 Whereas, The hospital medical staff leadership should be focused on high quality medical care
18 delivery and not be politicized; therefore be it
19
20 RESOLVED, That our American Medical Association support and advocate that hospital
21 medical staff leadership should be fully licensed physicians and that if others are included, they
22 should be non-voting or advisory to the hospital medical staff members (Directive to Take
23 Action); and be it further
24
25 RESOLVED, That our AMA support and advocate that the decisions made by hospital medical
26 staffs focus on quality patient care, medical staff standards and the operation of the hospital,
27 and that those decisions not engage the medical staff in external political matters (e.g.,
28 advanced practice clinician scope of practice expansion, etc.). (Directive to Take Action); and be
29 it further
30
31 RESOLVED, That AMA Policy H-225.993, "Medical Staff Policy Determination," be rescinded.
