

CPT® Category II Codes Medium Descriptors

It is important to note that further CPT Editorial Panel (Panel) or Executive Committee actions may affect these codes and/or descriptors. For this reason, code numbers and/or descriptor language in the CPT code set may differ at the time of publication. In addition, further Panel actions may result in gaps in code number sequencing.

Most recent changes to the CPT® Category II Medium Descriptor document

- Revision of one Category II code (3170F) accepted by the CPT Editorial Panel at the September 2019 meeting.

The following Category II code was revised at the September 2019 CPT Editorial Panel meeting for the 2021 CPT production cycle. However, due to Category II code's early-release policy, these codes are effective on May 1, 2020, following the three month implementation period, which begins February 1, 2020.
