## UNDERSTANDING THE RECORDING OF AMERICAN MEDICAL ASSOCIATION POLICY

Current American Medical Association (AMA) policy is catalogued in PolicyFinder, an electronic database that is updated after each AMA House of Delegates (HOD) meeting and available online. Each policy is assigned to a topical or subject category. Those category headings are alphabetical, starting with "abortion" and running to "women"; the former topic was assigned the number 5, and "women" was assigned 525. Within a category, policies are assigned a 3 digit number, descending from 999, meaning that older policies will *generally* have higher numbers within a category (eg, 35.999 was initially adopted before 35.984). A policy number is not affected when it is modified, however, so a higher number may have been altered more recently than a lower number. Numbers are deleted and not reused when policies are rescinded.

AMA policy is further categorized into one of four types, indicated by a prefix:

- "H" – for statements that one would consider positional or philosophical on an issue
- "D" – for statements that direct some specific activity or action. There can be considerable overlap between H and D statements, with the assignment made on the basis of the core nature of the statement.
- "G" – for statements related to AMA governance
- "E" – for ethical opinions, which are the recommendations put forward in reports prepared by the Council on Ethical and Judicial Affairs and adopted by the AMA-HOD

AMA policy can be accessed at [ama-assn.org/go/policyfinder](http://ama-assn.org/go/policyfinder).

The actions of the AMA-HOD in developing policy are recorded in the *Proceedings*, which are available online as well. Annotations at the end of each policy statement trace its development, from initial adoption through any changes. If based on a report, the annotation includes the following abbreviations:

BOT – Board of Trustees	CME – Council on Medical Education
CCB – Council on Constitution and Bylaws	CMS – Council on Medical Service
CEJA – Council on Ethical and Judicial Affairs	CSAPH – Council on Science and Public Health
CLRPD – Council on Long Range Planning and Development	

If a resolution was involved, "Res" is indicated. The number of the report or resolution and meeting (A for Annual; I for Interim) and year (two digits) are also included (eg, BOT Rep. 1, A-14 or Res. 319, I-12).

## **DECLARATION OF PROFESSIONAL RESPONSIBILITY: MEDICINE'S SOCIAL CONTRACT WITH HUMANITY**

### **Preamble**

**Never in the history of human civilization** has the well-being of each individual been so inextricably linked to that of every other. Plagues and pandemics respect no national borders in a world of global commerce and travel. Wars and acts of terrorism enlist innocents as combatants and mark civilians as targets. Advances in medical science and genetics, while promising great good, may also be harnessed as agents of evil. The unprecedented scope and immediacy of these universal challenges demand concerted action and response by all.

As physicians, we are bound in our response by a common heritage of caring for the sick and the suffering. Through the centuries, individual physicians have fulfilled this obligation by applying their skills and knowledge competently, selflessly and at times heroically. Today, our profession must reaffirm its historical commitment to combat natural and man-made assaults on the health and well-being of humankind. Only by acting together across geographic and ideological divides can we overcome such powerful threats. Humanity is our patient.

### **Declaration**

**We, the members of the world community of physicians**, solemnly commit ourselves to:

1. Respect human life and the dignity of every individual.
2. Refrain from supporting or committing crimes against humanity and condemn all such acts.
3. Treat the sick and injured with competence and compassion and without prejudice.
4. Apply our knowledge and skills when needed, though doing so may put us at risk.
5. Protect the privacy and confidentiality of those for whom we care and breach that confidence only when keeping it would seriously threaten their health and safety or that of others.
6. Work freely with colleagues to discover, develop, and promote advances in medicine and public health that ameliorate suffering and contribute to human well-being.
7. Educate the public and polity about present and future threats to the health of humanity.
8. Advocate for social, economic, educational, and political changes that ameliorate suffering and contribute to human well-being.
9. Teach and mentor those who follow us for they are the future of our caring profession.

We make these promises solemnly, freely, and upon our personal and professional honor.

Adopted by the House of Delegates of the American Medical Association  
in San Francisco, California on December 4, 2001

## **Delegate/Alternate Delegate Job Description, Roles and Responsibilities**

*At the 1999 Interim Meeting, the House of Delegates adopted as amended Recommendation 16 of the final report of the Special Advisory Committee to the Speaker of the House of Delegates. This recommendation included a job description and roles and responsibilities for delegates and alternate delegates. The description and roles and responsibilities were modified at the 2002 Annual Meeting by Recommendation 3 of the Joint Report of the Board of Trustees and Council on Long Range Planning and Development. The modified job description, qualifications, and responsibilities are listed below.*

Delegates and Alternate Delegates should meet the following job description and roles and responsibilities:

### **Job Description and Roles and Responsibilities of AMA Delegates/Alternate Delegates**

Members of the AMA House of Delegates serve as an important communications, policy, and membership link between the AMA and grassroots physicians. The delegate/alternate delegate is a key source of information on activities, programs, and policies of the AMA. The delegate/alternate delegate is also a direct contact for the individual member to communicate with and contribute to the formulation of AMA policy positions, the identification of situations that might be addressed through policy implementation efforts, and the implementation of AMA policies. Delegates and alternate delegates to the AMA are expected to foster a positive and useful two-way relationship between grassroots physicians and the AMA leadership. To fulfill these roles, AMA delegates and alternate delegates are expected to make themselves readily accessible to individual members by providing the AMA with their addresses, telephone numbers, and e-mail addresses so that the AMA can make the information accessible to individual members through the AMA web site and through other communication mechanisms. The qualifications and responsibilities of this role are as follows:

#### **A. Qualifications**

- AMA member.
- Elected or selected by the principal governing body or the membership of the sponsoring organization.
- The AMA encourages that at least one member of each delegation be involved in the governance of their sponsoring organization.

#### **B. Responsibilities**

- Regularly communicate AMA policy, information, activities, and programs to constituents so he/she will be recognized as the representative of the AMA.
- Relate constituent views and suggestions, particularly those related to implementation of AMA policy positions, to the appropriate AMA leadership, governing body, or executive staff.
- Advocate constituent views within the House of Delegates or other governance unit, including the executive staff.
- Attend and report highlights of House of Delegates meetings to constituents, for example, at hospital medical staff, county, state, and specialty society meetings.
- Serve as an advocate for patients to improve the health of the public and the health care system.
- Cultivate promising leaders for all levels of organized medicine and help them gain leadership positions.
- Actively recruit new AMA members and help retain current members.
- Participate in the AMA Membership Outreach Program.

**NOVEMBER 2020 SPECIAL MEETING OF THE AMA HOUSE OF  
DELEGATES**

**SEATING CHART**

Your speakers have determined that each participant at the Special Meeting may sit anywhere they wish so long as whomever is sitting near you doesn't object. This will be left to the discretion of the individuals with whom you must live.

To: HOD Delegates and Alternate Delegates  
Board of Trustees  
AMA Councils, Section Governing Councils, Staff  
Federation Staff and Leadership

From: Bruce A. Scott, MD, Speaker  
Lisa Bohman Egbert, MD, Vice Speaker

Pursuant to the action of the American Medical Association (AMA) Board of Trustees (BOT) on August 30, 2020, this notice will serve as the official call to convene a Special Meeting of the AMA House of Delegates (HOD) on November 13-17, 2020. The purpose of this meeting as defined by the request of the BOT is to **conduct priority and urgent business of the Association**. This Special Meeting will be convened on a virtual platform with the Opening Session to commence at 7 pm CT, Friday, Nov. 13.

**We encourage you to read this entire message carefully and save it for future reference as it includes important information and dates.** These are the details that are known at this time. We will share more details as they are developed.

Your speakers recognize the challenges that physicians and their practices are facing during this pandemic. We have thus created a schedule that is confined to the previously scheduled meeting days to the extent possible. The total number of hours needed to conduct our business will be dependent upon the volume of business submitted and accepted for consideration.

**Resolution Deadlines** and **Tentative Agenda** are listed on the attached page.

Please check the [Pictorial Directory](#) to assure that we have correct email addresses for you. It is essential that we have correct email addresses for ALL members of the HOD including alternate delegates and any other involved individuals. While this document is being sent electronically and by postal mail, delivery delays and the need to expedite communication as we approach the upcoming meeting require that we can communicate with you electronically. Accordingly, we strongly suggest that chairs and/or staff confirm that all members of their delegation have received this communication electronically. In some cases it may have been sent to "spam" or been removed by a security filter. If a member of your delegation needs to correct or update their email address, please contact the HOD office at [HOD@ama-assn.org](mailto:HOD@ama-assn.org) as soon as possible.

All delegates and delegations are reminded that only urgent or priority items of business will be considered at this Special Meeting. Our councils and the board have already responded favorably to this request. In fact, the BOT has decided to hold half of their reports for later consideration.

Urgency may be thought of as requiring action before the 2021 Annual Meeting; taking no action before that time would have some detrimental effect. Priority is a bit more nebulous and weighs both the subject matter and the recommended actions. For

example, a high priority topic that recommends a study, monitoring a situation, or reaffirmation of current policy is likely not a priority resolution, while a resolution on a priority topic that calls for some specific, near-term action or fills a policy void may be considered a priority resolution. Priority might also be determined by the relationship to our strategic arcs as well as the number of physicians or their patients affected. More details on determining urgency and priority will be shared in subsequent communication.

A Resolution Committee, similar to our regular interim meetings, will be convened to review all submitted resolutions for urgency and priority. As promised, the typical interim meeting focus on advocacy will not be applied at this Special Meeting and all resolutions will be measured equally. Also similar to interim meetings, the Resolution Committee recommendations for this Special Meeting will be presented for consideration and the final decision of what becomes the business of the House will be determined by the HOD.

**To facilitate the work of the Resolutions Committee, delegates submitting resolutions are encouraged to submit a statement of urgency and/or priority. This statement should not exceed 250 words.**

A concern has been expressed that alternate delegates had limited access during the June Special Meeting. Be assured that arrangements are being made for alternate delegates to be able to fully engage in all sessions of the HOD including reference committees. As in our in-person meetings, the delegate and their alternate will share a single vote, and alternates will only be allowed the privilege of the floor when they are “seated” for their delegate. Accordingly, all delegates are reminded to establish a method to communicate with their alternate in real time during the meeting that is separate from the device that they will use to join the meeting.

Your speakers are sensitive to the fact that our schedule begins after sundown on Friday November 13 and continues through Sunday. The Friday evening Opening Session will not require any votes of the House, and the session will be recorded in order to make it available to be viewed at a different time. The Second Session of the HOD will be held on Saturday morning and will include voting on the rules and the Resolution Committee report; delegates with religious concerns may wish to coordinate with their alternate delegates for this portion. Saturday and Sunday will also include reference committees where attendance is optional, and individuals are reminded of the opportunity to present testimony in the open forum which will be active for several weeks. If further accommodations are needed please contact us at [HOD@ama-assn.org](mailto:HOD@ama-assn.org).

**Rules and Credentials and Reference Committees:**

In response to multiple requests from members of the House, it is our intent to hold “live” virtual reference committees for this Special Meeting. To facilitate robust discussion of ALL items of business on our Online Forums prior to the live reference committee hearings, we have moved the final deadline for resolution submission a week earlier. At this time we have not determined how many reference committees will be needed. This will be dependent on how many items of business will be considered. We hope to limit

the number of items in each reference committee so that the hearings will be more easily managed in the virtual setting.

Given the unique nature of our virtual meeting, **your speakers are seeking volunteers** who are comfortable working via the Zoom platform. We ask that all who are interested in serving on one of the Reference Committees or the Rules & Credentials Committee submit a *“November 2020 Reference Committee Volunteer Form”* which is included with this call or can be downloaded from [The Speaker's Page](#) on the AMA site. Note that due to the unique nature of this meeting and the need for multiple volunteers comfortable with a virtual meeting format, our usual embargo on those who have served in the recent past will not be observed.

**Resolutions Committee Volunteers:**

A Resolutions Committee will be convened for this Special Meeting and charged with determining if resolutions submitted are urgent or a priority. The details for this committee's responsibilities, including when and how often it will meet, have not been finalized. Any Delegate or Alternate Delegate interested in serving on this committee is asked to indicate their interest by email to the speakers at [HOD@ama-assn.org](mailto:HOD@ama-assn.org).

While we are saddened by yet another meeting going by without seeing all of you in-person, your speakers are looking forward to an opportunity to interact with you virtually in a more robust fashion than at our June Special Meeting. Again, as noted above, please take the time to confirm that we have valid email addresses for all Delegates, Alternates and other participants of our HOD.
