Call for Candidates for AMA Nomination for the ACGME Review Committee for Pathology

The AMA is soliciting AMA member candidates for nomination by the AMA Board of Trustees for the Accreditation Council for Graduate Medical Education Review Committee for Pathology (ACGME RC-PATH).

TERM
The term of the position is 6 years, from July 1, 2022, through June 30, 2028.

TIME REQUIREMENT
Nominees must be able to devote sufficient time to the Review Committee’s work. The Review Committee for Pathology meets two to three times per year (two meetings for program review), usually in January and April. The duration of meetings is normally 1.5 to 2 days. Review Committee members are expected to attend all Review Committee meetings.

Nominees must have sufficient time to review program information (an estimated 13 hours for program review assignments for each meeting), to participate in subcommittee work (as assigned), to prepare for each Review Committee meeting by reviewing agenda items and related documents, and to travel to/attend each Review Committee meeting as applicable, and to participate in other activities of the Review Committee.

Anticipated meeting dates for the new member(s) are as follows:
Review Committee meeting to observe – January 2022 (exact dates to be determined)
Two Review Committee meetings per year – During January and April

CRITERIA FOR AMA NOMINATION TO ACGME RC-PATH

ACGME RC-PATH Requirements for this Opportunity

1. Nominees must be currently certified by the American Board of Pathology and must have Neuropathology expertise or certification.
2. Although a Review Committee may appoint up to two members from the same state, they may not be from the same institution or city/metropolitan area. Accordingly, individuals should not be nominated from the following institutions and areas:

- State of California (two current members from that state)
- University of Colorado – Aurora, CO
- Howard University – Washington, DC
- Northwestern University – Chicago, IL
- Indiana University – Indianapolis, IN
- Mayo Clinic – Rochester, MN
- University of Oklahoma – Oklahoma City, OK
- Cyril H. Wecht & Pathology Associates – Pittsburgh, PA
- University of Vermont – Burlington, VT

3. Nominees must be skilled in the use of computers. Review Committee members must use electronic systems for reimbursement of expenses and many accreditation activities, including program reviews.

4. Nominees must be able to devote sufficient time to the Review Committee’s work. The Review Committee for Pathology meets two to three times per year (two meetings for program review), usually in January and April. The duration of meetings is normally 1.5 to 2 days. Review Committee members are expected to attend all Review Committee meetings.

5. Nominees must have sufficient time to review program information (an estimated 13 hours for program review assignments for each meeting), to participate in subcommittee work (as assigned), to prepare for each Review Committee meeting by reviewing agenda items and related documents, and to travel to/attend each Review Committee meeting as applicable, and to participate in other activities of the Review Committee.

6. Nominees must participate in major specialty societies or have current or recent past association with graduate medical education.

7. Nominees’ programs must have status of Continued Accreditation.

8. Additional characteristics that are desired but not required:

- Experience as a program director or other significant GME experience.

**AMA Requirements**

Each nominee recommended by the AMA must be a member of the AMA at the time of nomination. If appointed, he/she must maintain AMA member status throughout the term of appointment. AMA membership does not guarantee a position. Non-members may activate their membership online at https://member.ama-assn.org/join-renew/ or call AMA Member Relations at 800.262.3211.

**TO APPLY FOR NOMINATION**

To apply for nomination, complete and email the following documents to mary.grandau@ama-assn.org by Monday, February 8, 2021.

2. Current abbreviated curriculum vitae [not to exceed three (3) pages].

4. Optional: Up to two letters of recommendation, addressed to the AMA.

   Note: If nominated, letters of recommendation may be included as part of the nominee materials sent to the requesting organization.
