Transforming health care for a post-pandemic world

As more people are vaccinated and our communities reopen, we can all start to wonder how health care will change after the pandemic ends. Join us for a discussion with Dr. Shantanu Nundy, author of “Care After COVID: What the Pandemic Revealed Is Broken in Healthcare and How to Reinvent It,” and a panel of AMA experts as we explore what health care advocacy, equity, innovation and outcomes will look like in our post-pandemic world.

Section meeting registrants will automatically receive an email with a Zoom link to join the plenary session. If you did not receive an email with your Zoom link, please register for the plenary session here: <http://bit.ly/plenary-j21>.
