MEMORANDUM FROM THE SPEAKER OF THE HOUSE OF DELEGATES

- All Delegates, Alternate Delegates and others receiving this material are reminded that it refers only to items THAT MAY BE CONSIDERED by the House.
 - **ALL ITEMS HAVE NOT YET BEEN REVIEWED BY THE RESOLUTIONS COMMITTEE FOR PRIORITY/URGENCY FOR THIS SPECIAL MEETING**
 - No action has been taken on anything herein contained, and it is informational only.
 - Only those items that have been acted on finally by the House can be considered official.
 - **REMINDER: Only the Resolve portions of the resolutions are considered by the House of Delegates. The Whereas portions or preambles are informational and explanatory only.**

UNDERSTANDING THE RECORDING OF AMERICAN MEDICAL ASSOCIATION POLICY

Current American Medical Association (AMA) policy is catalogued in PolicyFinder, an electronic database that is updated after each AMA House of Delegates (HOD) meeting and available online. Each policy is assigned to a topical or subject category. Those category headings are alphabetical, starting with "abortion" and running to "women"; the former topic was assigned the number 5, and "women" was assigned 525. Within a category, policies are assigned a 3 digit number, descending from 999, meaning that older policies will *generally* have higher numbers within a category (eg, 35.999 was initially adopted before 35.984). A policy number is not affected when it is modified, however, so a higher number may have been altered more recently than a lower number. Numbers are deleted and not reused when policies are rescinded.

AMA policy is further categorized into one of four types, indicated by a prefix:

- "H" – for statements that one would consider positional or philosophical on an issue
- "D" – for statements that direct some specific activity or action. There can be considerable overlap between H and D statements, with the assignment made on the basis of the core nature of the statement.
- "G" – for statements related to AMA governance
- "E" – for ethical opinions, which are the recommendations put forward in reports prepared by the Council on Ethical and Judicial Affairs and adopted by the AMA-HOD

AMA policy can be accessed at ama-assn.org/go/policyfinder.

The actions of the AMA-HOD in developing policy are recorded in the *Proceedings*, which are available online as well. Annotations at the end of each policy statement trace its development, from initial adoption through any changes. If based on a report, the annotation includes the following abbreviations:

BOT – Board of Trustees	CME – Council on Medical Education
CCB – Council on Constitution and Bylaws	CMS – Council on Medical Service
CEJA – Council on Ethical and Judicial Affairs	CSAPH – Council on Science and Public Health
CLRPD – Council on Long Range Planning and Development	

If a resolution was involved, "Res" is indicated. The number of the report or resolution and meeting (A for Annual; I for Interim) and year (two digits) are also included (eg, BOT Rep. 1, A-14 or Res. 319, I-12).

AMA policy is recorded in the following categories, and any particular policy is recorded in only a single category.

DECLARATION OF PROFESSIONAL RESPONSIBILITY: MEDICINE'S SOCIAL CONTRACT WITH HUMANITY

Preamble

Never in the history of human civilization has the well-being of each individual been so inextricably linked to that of every other. Plagues and pandemics respect no national borders in a world of global commerce and travel. Wars and acts of terrorism enlist innocents as combatants and mark civilians as targets. Advances in medical science and genetics, while promising great good, may also be harnessed as agents of evil. The unprecedented scope and immediacy of these universal challenges demand concerted action and response by all.

As physicians, we are bound in our response by a common heritage of caring for the sick and the suffering. Through the centuries, individual physicians have fulfilled this obligation by applying their skills and knowledge competently, selflessly and at times heroically. Today, our profession must reaffirm its historical commitment to combat natural and man-made assaults on the health and well-being of humankind. Only by acting together across geographic and ideological divides can we overcome such powerful threats. Humanity is our patient.

Declaration

We, the members of the world community of physicians, solemnly commit ourselves to:

1. Respect human life and the dignity of every individual.
2. Refrain from supporting or committing crimes against humanity and condemn all such acts.
3. Treat the sick and injured with competence and compassion and without prejudice.
4. Apply our knowledge and skills when needed, though doing so may put us at risk.
5. Protect the privacy and confidentiality of those for whom we care and breach that confidence only when keeping it would seriously threaten their health and safety or that of others.
6. Work freely with colleagues to discover, develop, and promote advances in medicine and public health that ameliorate suffering and contribute to human well-being.
7. Educate the public and polity about present and future threats to the health of humanity.
8. Advocate for social, economic, educational, and political changes that ameliorate suffering and contribute to human well-being.
9. Teach and mentor those who follow us for they are the future of our caring profession.

We make these promises solemnly, freely, and upon our personal and professional honor.

Adopted by the House of Delegates of the American Medical Association
in San Francisco, California on December 4, 2001

Delegate/Alternate Delegate Job Description, Roles and Responsibilities

At the 1999 Interim Meeting, the House of Delegates adopted as amended Recommendation 16 of the final report of the Special Advisory Committee to the Speaker of the House of Delegates. This recommendation included a job description and roles and responsibilities for delegates and alternate delegates. The description and roles and responsibilities were modified at the 2002 Annual Meeting by Recommendation 3 of the Joint Report of the Board of Trustees and Council on Long Range Planning and Development. The modified job description, qualifications, and responsibilities are listed below.

Delegates and Alternate Delegates should meet the following job description and roles and responsibilities:

Job Description and Roles and Responsibilities of AMA Delegates/Alternate Delegates

Members of the AMA House of Delegates serve as an important communications, policy, and membership link between the AMA and grassroots physicians. The delegate/alternate delegate is a key source of information on activities, programs, and policies of the AMA. The delegate/alternate delegate is also a direct contact for the individual member to communicate with and contribute to the formulation of AMA policy positions, the identification of situations that might be addressed through policy implementation efforts, and the implementation of AMA policies. Delegates and alternate delegates to the AMA are expected to foster a positive and useful two-way relationship between grassroots physicians and the AMA leadership. To fulfill these roles, AMA delegates and alternate delegates are expected to make themselves readily accessible to individual members by providing the AMA with their addresses, telephone numbers, and e-mail addresses so that the AMA can make the information accessible to individual members through the AMA web site and through other communication mechanisms. The qualifications and responsibilities of this role are as follows:

A. Qualifications

- AMA member.
- Elected or selected by the principal governing body or the membership of the sponsoring organization.
- The AMA encourages that at least one member of each delegation be involved in the governance of their sponsoring organization.

B. Responsibilities

- Regularly communicate AMA policy, information, activities, and programs to constituents so he/she will be recognized as the representative of the AMA.
- Relate constituent views and suggestions, particularly those related to implementation of AMA policy positions, to the appropriate AMA leadership, governing body, or executive staff.
- Advocate constituent views within the House of Delegates or other governance unit, including the executive staff.
- Attend and report highlights of House of Delegates meetings to constituents, for example, at hospital medical staff, county, state, and specialty society meetings.
- Serve as an advocate for patients to improve the health of the public and the health care system.
- Cultivate promising leaders for all levels of organized medicine and help them gain leadership positions.
- Actively recruit new AMA members and help retain current members.
- Participate in the AMA Membership Outreach Program.

AMA HOUSE OF DELEGATES**

SEATING CHART

Your speakers have determined that each participant at the Special Meeting may sit anywhere they wish so long as whomever is sitting near you doesn't object. This will be left to the discretion of the individuals with whom you must live.

To: Delegates and Alternate Delegates

From: Bruce A. Scott, MD, Speaker; and Lisa Bohman Egbert, MD, Vice Speaker

Date: March 22, 2021

Subject: J21-HOD: Official Call to the June 2021 Special Meeting of the AMA House of Delegates

Pursuant to the action of the American Medical Association (AMA) Board of Trustees (Board) on March 11, 2021, this notice will serve as the Official Call to convene a Special Meeting of the AMA House of Delegates (HOD) on June 11-16, 2021. The purpose of this meeting, as defined by the action of the Board, is to accomplish **leadership transitions that would otherwise be addressed in association with an Annual Meeting of the HOD and to conduct priority business of the Association**. This Special Meeting will be convened on the same platforms, Lumi and Zoom, that were used at the November 2020 Special Meeting.

The House will commence with the Opening Session at 7 pm CDT, Friday, June 11. We anticipate that we will utilize all of the scheduled days through Wednesday until our business is completed. **Note: We will NOT have a hard stop on Wednesday, June 16**, as there is no need for travel time and this day should have already been cleared on your calendars.

BUSINESS OF THE HOUSE:

Although your Board and Speakers recognize that there is an abundance of business that has been left unattended over the past year, the inherent inefficiencies of a virtual meeting demand a prioritization of the business to be considered, thus the Board motion specified that the purpose of the meeting is to conduct leadership transition and priority business.

To accomplish leadership transition, nominations will be accepted during the Opening Session of the House on Friday evening with election by acclamation of any unopposed candidates. Elections for the remaining races will be held at a specific Election Session on Tuesday morning. The Inauguration of Gerald E. Harmon, MD will occur on Tuesday, June 15 at 6 pm CDT.

In keeping with the defined purpose of this Special Meeting, all delegates and delegations are strongly encouraged to submit only priority resolutions. Our councils and the Board have been asked to do the same. To facilitate the prioritization process, **resolutions MUST BE ACCOMPANIED by a statement of priority (not to exceed 250 words)**, and if submitting more than 1 resolution, **delegations MUST RANK their resolutions in order of priority**. Resolutions submitted without these required elements will not be accepted.

A Resolution Committee will be convened to review all resolutions and make recommendations to the House regarding the priority of the resolutions. Your submitted prioritization statement and ranking will be considered by the Resolution Committee as a factor in their recommendation to the House. The final determination of the business to be considered by the House at this Special Meeting will be decided by majority vote during the Opening Session of the House.

In response to comments received from the Federation, the Resolution Committee will be expanded and the prioritization process has been updated. The *Prioritization Matrix* previously adopted by the

Resolution Committee at the November Special Meeting has been modified for use at this meeting. It is attached and will be posted on the AMA website. Delegates considering submitting a resolution are encouraged to review this matrix. The detailed *Prioritization Process* will also be posted on the AMA website.

ONLINE FORUMS:

Online Forums will once again be open for comment on all submitted resolutions and reports. Your Speakers request that all authors please present an opening comment regarding your resolutions/report. In addition, we ask that members comment not only on the merits of the proffered resolution/report, but also to the priority of the resolutions. **Your Speakers strongly encourage the use of the Online Forum to facilitate the live deliberations.** As a reminder, there is no limit on debate via the Online Forum, however, there will be a limit at the live hearing.

To further encourage use of the Online Forums, the Reference Committees will be instructed to give equal weight to testimony presented in the Online Forums to that presented at the live hearings.

REFERENCE COMMITTEES:

Reference Committees are scheduled Saturday morning and afternoon and Sunday morning. Reference Committee Reports will be posted as soon as available. Sunday afternoon and early morning Monday have been kept open on the schedule to allow for Delegations to consider the reports.

HOUSE OF DELEGATES SESSIONS:

The Opening Session of the House will be held Friday, June 11 at 7 pm CDT. The House will consider Reference Committee Reports beginning at 10 am CDT Monday, on Tuesday following an Election Session, and continuing on Wednesday until all business has been completed. Please keep open Wednesday afternoon as we do not know when we will adjourn.

See attached preliminary agenda for further details.

Your Speakers are sensitive to the fact that our schedule may continue past sundown on Friday and on through Sunday. Delegates for whom this schedule potentially creates a conflict may wish to coordinate with their alternate delegates. Saturday and Sunday will include reference committees where attendance is optional, and individuals are reminded of the opportunity to present testimony in the Online Forum which will be open for several weeks. If further accommodations are needed please contact us at HOD@ama-assn.org.

EMAIL ADDRESSES:

Although this notice is being sent both electronically and by postal mail, delivery delays and the need to expedite communication as we approach the upcoming meeting necessitate that we have correct email addresses for ALL members of the HOD including alternate delegates and any other involved individuals. Email will once again be our primary method of sharing important information, including delegate credentials, with the House. In some cases this notice may have been sent to "spam" or been removed by a security filter. If you receive this notice by postal mail only, you need to confirm your email address and check your filters.

In addition, because delegation rosters may have changed since our November Special Meeting, we remind delegation chairs and/or staff to confirm that all delegation members have received this communication electronically. If you or a member of your delegation needs to correct or update their email address, please contact the HOD office at HOD@ama-assn.org immediately.

CAMPAIGNS:

Given the virtual nature of this meeting, all interviews and other campaign activities will be conducted electronically. All delegations/caucuses who anticipate holding interviews MUST submit to the HOD office prior to Friday, April 30 the name and contact information for the individual in charge of scheduling your interviews. Interviews may be scheduled between May 21 and June 10, 2021. The HOD office will once again this year be sending an electronic message on behalf of candidates who wish to participate and will be recording interviews of all Board and Council candidates which will be posted on our website. Your speakers will be sending out further instructions to candidates and their campaigns.

COMMITTEE VOLUNTEERS:

Your Speakers are seeking multiple volunteers who are experienced in working via a virtual meeting format; therefore, our usual embargo on those who have served in the recent past will not be observed. If you are interested in serving on one of the Reference Committees, the Rules & Credentials Committee, or the Resolutions Committee, please submit a *“Committee Volunteer Form,”* which is attached to this call or can be downloaded from [The Speaker's Page](#) on the AMA site.

FINAL REMINDERS:

Please watch for further communication from us as details are finalized. As a reminder, notices regarding the upcoming June meeting will have **J21-HOD** in the subject line (which is short for the June 2021 meeting of the AMA House of Delegates) and will be sent from ama.delegates@groups.ama-assn.org. Please add this address to your contact list.

Your Speakers share your disappointment that circumstances have once again prevented us from meeting in person, but rest assured that plans are well underway to facilitate the policymaking role of our House of Delegates in a fair and deliberative fashion and to conduct elections securely.
