

To: RFS Governing Council  
From: Laura Halpin MD, PhD  
Date: 5/18/2021  
Subject: Council on Science and Public Health

---

### **Accomplishments**

Reports for the June 2021 meeting include the following:

- Use of Drugs to Chemically Restrain Individuals Outside of Hospital Settings
- Addressing Increases in Youth and Young Adult Suicide

Upcoming reports of CSAPH include:

- Public Health Infrastructure of the United States
- Maternal Health

I'm graduating fellowship this year and therefore leaving the Council. It has been an honor to represent the RFS on CSAPH 😊
