

2022 State Advocacy Summit

Jan. 13-15, 2022

**Agenda is subject to change.*

More than 200 physician leaders and medical society staff attend the annual AMA State Advocacy Conference, held in January. The conference offers participants an opportunity to share their organizations' state legislative and regulatory priorities, concerns, strategies and tactics with advocacy leaders from other medical societies.

If you have any questions regarding registering for the conference, contact wendy.holmes@ama-assn.org
