Speaker bio

Brian Miller, MD, MBA, MPH, wears multiple hats and brings wide-ranging perspective to any conversation. In addition to being a commissioner, nonresident fellow, assistant professor and practicing hospitalist, Dr. Miller runs a multi-disciplinary, 15-person research group that analyzes market-driven solutions in health policy. His team's research has been published in *The New England Journal of Medicine*, *JAMA*, *Tobacco Control*, and *Health Affairs Forefront* among other venues. His broad regulatory experience includes having served at the Centers for Medicare & Medicaid Services, the Federal Trade Commission, the Federal Communications Commission and the U.S. Food and Drug Administration.
