Whereas, The Consolidated Omnibus Budget Reconciliation Act (COBRA) is a health insurance program that allows an eligible employee and his or her dependents the continued benefits of health insurance coverage in the case that an employee loses his or her job or experiences a reduction of work hours; and

Whereas, COBRA allows former employees to obtain continued health insurance coverage at group rates that otherwise might be terminated and which are typically less expensive than those associated with individual health insurance plans; and

Whereas, Such COBRA coverage reduces the disruption, financial and otherwise, that could occur when a person’s employment is terminated; and

Whereas, College students enjoy similar group rate discounts with student health insurance; and

Whereas, These students, upon graduation or other termination of an enrollment, potentially face similar disruption in their healthcare coverage; therefore be it

RESOLVED, That our American Medical Association call for legislation similar to COBRA to allow college students to continue their healthcare coverage, at their own expense, for up to 18 months after graduation or other termination of enrollment. (Directive to Take Action)
