Whereas, The number of physicians in independent practice of medicine has been rapidly dwindling; and
Whereas, AMA policy is to advocate for the preservation of independent medical practice; and
Whereas, Many physicians are not members of the AMA, possibly because they are not satisfied with or are unaware of the activities of the AMA to help physicians stay in private practice; therefore be it
RESOLVED, That our American Medical Association issue a report every two years communicating their efforts to support independent medical practices. (Directive to Take Action)
