Subject: Endorsement Letter for Avani K. Patel, M.D., MHA

Jennifer Bryan, MD
Chair, Mississippi Delegation to the AMA

Dear American Medical Association Women's Physician Section,

I am writing to express Mississippi State Medical Association's wholehearted endorsement and support for Dr. Avani Patel in the upcoming election for the WPS YPS position. Having closely observed her dedication, skills, and contributions, I am confident that Dr. Patel is the ideal choice for the position.

Dr. Patel has shown true dedication and involvement at the AMA since she was a medical student having served on the AMA Ambassador Steering Committee two years in a row, Women in Medicine standing committee, Region 3 Membership Chair, and Membership, Engagement, & Recruitment Standing Committee Member.

As a resident physician, she has functioned as the Vice Chair on the AMA-RFS Committee on Business and Economics and an elected RFS delegate to the AMA House of Delegates for the last 3 years. She was also the first resident physician to serve on the AMA Foundation Board of Directors and was asked to serve a second term.

On a state level, Dr. Patel has served on our Board of Trustees for the last six years both as a medical student and resident physician. She possesses the qualities needed to excel on your GC and move the priorities of your section forward. Her passion, dedication, and proven track record make her a valuable asset, and I am confident that she will bring positive and meaningful contributions to the AMA WPS.

Please feel free to reach out if you require any additional information or if I can provide further insights into Dr. Patel's qualifications. I wholeheartedly endorse her and look forward to seeing the positive impact she will undoubtedly make.

Thank you for considering Dr. Patel for the AMA WPS YPS GC position. I am confident that she will exceed expectations and contribute significantly.

Sincerely,

Jennifer Bryan, MD
Chair, Mississippi State Medical Association Delegation to the AMA
