

Delegate

Dan Pfeifle, MD

Residency/Fellowship Program: Indiana University

Expected Graduation Date: 6/30/2025

Specialty: Pulmonary/ Critical Care Medicine

I am running as a sectional delegate to continue the RFS's strong presence and advocacy within the House of Delegates.

My experience with the AMA has been long standing, starting back in my first year of medical school. I have served in several different positions during that time frame, including serving the last 7 years as a delegate to the HOD. This has included tenures as a regional delegate during my time in the MSS, a sectional delegate for the RFS, as well as leadership experience within the sections both as the MSS Alternate Delegate, and more recently serving the last two years as the RFS Alternate Delegate and then the RFS Delegate. With these roles, I have grown familiar with the HOD policy process as well as established connections and coalitions across several different groups including various states, specialties and other Sections. I am fortunate enough as well to serve as the RFS Councilor on the Council on Constitution and Bylaws, which allows me more opportunities to bring the RFS perspective and allow for establishing our priorities.

I would be a good candidate for a sectional delegate position because of my past experiences in the HOD, my experiences within the policy creation process, and my commitment to health policy and advocacy.
