Pronouns

She/Her

Statement of interest

I am active within leadership at AMWA (in the LGBTQIA+ subcommittee, and the Justice Diversity Equity and Inclusiveness committee, as a representative for the Military and Veterans Chapter). I am also currently serving as the Vice President of Women In Medicine , on the board of GLMA: Health Professionals Advancing LGBT+ Equality , and the board of USAFP (the Uniformed Services chapter of AAFP). I am currently serving on the Commission of Membership and Member Services for AAFP.

If elected, I look forward to utilizing my experiences with the above listed organizations to share a unique and intersectional view of women in medicine.

Diversity statement

As a female military physician, I bring a unique lived experience. I also served during Don't Ask, Don't Tell as a bisexual physician.

I look forward to being able to amplify voices of physicians who are traditionally underrepresented.
