

Delegate

Pauline Huynh, MD

Residency/Fellowship Program: Kaiser Permanente Oakland Medical Center

Expected Graduation Date: June 2026

Specialty: Otolaryngology

Hi friends!

I'm Pauline, a PGY3 otolaryngology resident based in Oakland, CA, and I would love to continue serving you as one of your RFS Sectional Delegates. I have been involved in our House of Delegates since 2017, and have always enjoyed working with our Caucus to advocate for our Section's policy priorities. I have extensive experience with the processes in our House of Delegates, serving as a former MSS Section Delegate, MSS regional delegate, and RFS sectional delegate. It is such a genuine pleasure to work with our fellow Caucus members and delegations, and I hope to continue serving you all for another year.
