

Integrated Physician Practice Section (AMA-IPPS)

Alternate Delegate

Name

Alex McDonald

Credentials

MD FAAFP CAQSM

Statement of interest

My advocacy experience spans the local, state, and national levels. I currently serve as a California alternate delegate to the AAFP Congress of Delegates, and I am a past AMA-YPS delegate and past AAFP AMA delegate. At the state level, I served as a CMA Trustee and as President of the California Academy of Family Physicians. As a Residency Program Director and a leader within Southern California Kaiser Permanente government relations, health policy and advocacy are woven into my daily work.

I am eager to help craft and bring forward policies that serve IPPS members and the broader physician community. Integrated practice models are increasingly central to how care is delivered, and physicians in these settings deserve strong, informed representation within the House of Medicine.

My approach is evidence- based and data-driven; I believe sound policy rests on rigorous analysis rather than anecdote. I am also deeply collaborative and look forward to working with all members of the House and across sections to advance our shared goals.

I would be honored to contribute my experience and energy to the IPPS.
