

Resident and Fellow Section (AMA-RFS)

Speaker, Vice Speaker, Delegate,
Alternate Delegate

Name

Ana Collins-Smith

Credentials

MD

Pronouns

She/Her

Statement of interest

While serving on the AMA Resident Fellow Section Executive Council I would like to use this as an opportunity to find solutions to address maternal care deserts and rural care deserts throughout the United States.

Currently in the United States, the incidence of care deserts are only increasing with no viable solution in site.

During residency I held leadership positions within ACOG District II. Currently in fellowship, I am the ACOG District XI, Section IV Junior Fellow Vice Chair and a member of the Foundation for SMFM Development Committee.

Recently, I met with Texas legislators to discuss bills that would improve medicare reimbursement rates and provide funding to help reduce maternal deaths.

I look forward to the opportunity to continue to represent my colleagues and help address problems facing our patients.

Diversity statement

As a combined maternal-fetal medicine and critical care medicine fellow, I bring about a unique aspect of having two specialty viewpoints. In addition, I attended medical school outside of the United States and would bring an IMG viewpoint to current issues affecting its members.
