## Women Physicians Section (AMA-WPS)

Resident and Fellow Section Representative to  
the WPS Governing Council

---

### Name

Bianca Sonia Radut

### Credentials

DO

### Pronouns

She/Her

### Statement of interest

As a passionate advocate for the advancement of women in medicine, I am thrilled to submit my candidacy for the position of RFS Representative on the Women Physician Section (WPS) Governing Council.

In this role, I aspire to accomplish several key objectives aimed at empowering residents and fellows while advancing the mission of the WPS. Firstly, I am dedicated to amplifying the voices of women trainees, ensuring that their perspectives and concerns are heard and addressed within the broader medical community. Through proactive engagement and open communication channels, I aim to facilitate dialogue surrounding the unique challenges faced by women residents and fellows, advocating for policies and initiatives that promote their success and well-being.

Building upon my experiences as a RFS delegate I understand the importance of collaborative leadership and strategic advocacy in effecting meaningful change. I am committed to leveraging this experience to effectively represent the interests of residents and fellows within the WPS

Governing Council, advocating for initiatives that promote mentorship, career advancement, and work-life balance for women in training.

Furthermore, my involvement in various committees, including the AMA-WPS House of Delegates Handbook Review Committees, RFS Rules, and Credentialing committees, has equipped me with valuable insights into the intricacies of governance and policy development. I am eager to apply this expertise to contribute to the strategic direction of the WPS, working collaboratively with fellow council members to develop and implement initiatives that advance our shared goals of gender equity and professional advancement.
