Young Physicians Section
American Medical Association

To the AMA-YPS Governing Council & Members,

On behalf of the California Medical Association (CMA) and PacWest Conference, which consists of the delegations from Alaska, Arizona, California, Colorado, Guam, Hawaii, Idaho, Montana, Nevada, New Mexico, Oregon, Utah, Washington, and Wyoming, we are pleased to endorse and support Christopher Libby, M.D., MPH, FACEP in his election to the position of Alternate Delegate on the AMA Young Physician Section (YPS) Governing Council.

Dr. Libby is an experienced leader within both the AMA as well as the California Medical Association (CMA). Serving in the AMA House of Delegates since 2014, Dr. Libby became Chair of the AMA-MSS in 2015, serving until 2017 when he joined the Governing Council of the AMA-RFS through 2021. Dr. Libby is a demonstrated and proven leader who works to build bridges across multiple sections, specialties, and state delegations within the AMA, an ability most recently exemplified through his service on the AMA Council on Constitution and Bylaws.

Dr. Libby's leadership experience is mirrored in California, where he has served as an importance voice on the CMA's Membership & Governance Committee as well as the CMA Health IT Subcommittee. Dr. Libby also currently sits on the CMA's Political Action Committee Board of Directors.

We enthusiastically endorse Christopher's candidacy and have every confidence he will exceed expectations in the position of Alternate Delegate, if elected.

Sincerely,

Albert Ray, MD
