

## CPT® Administrative Codes for Multianalyte Assays with Algorithmic Analyses

It is important to note that further CPT Editorial Panel (Panel) or Executive Committee actions may affect these codes and/or descriptors. For this reason, code numbers and/or descriptor language in the CPT code set may differ at the time of publication. In addition, further Panel actions may result in gaps in code number sequencing.

### Most recent changes to the CPT® Administrative MAAAs Long Descriptor document

- There are no changes to report for the October 2022 Administrative Multianalyte Assays with Algorithmic Analyses (MAAA) codes early release.
