

Proposed Panel Agenda

September 2023 CPT® Editorial Panel Meeting

The proposed agenda for the September 2023 CPT Editorial Panel meeting shows the code application names, code(s) affected, and a description of the request. The Code Numbers and Request Descriptions detailed in this document are extracted from Code Applications submitted for discussion at this meeting. **Until such time as the CPT Editorial Panel acts on these requests, the information that appears in this Proposed Agenda is provided for informational purposes only, giving interested individuals the information to help determine whether or not to attend the meeting and provide comment on a given topic(s).**

Codes that contain an ‘X’ (e.g., 102X4, 2342X, 130XT) below are placeholder codes that are intended, through the first three digits, to give readers an idea of the proposed placement in the code set of the potential code changes. **These codes are not used for claims reporting and will be removed and not retained when the final CPT Datafiles are distributed early September of each year. To report the services for “X” codes listed on this form, please refer to the actual codes as they appear in the CPT Datafiles publication distributed early September of the corresponding year.**

NOTICE – INTERESTED PARTY PROCESS

Upon review of this agenda, if the non-Advisor reviewer believes that they may want to provide written comments on an application, the reviewer must seek Interested Party status by submitting a request form. The form requires identification of the potential Interested Party, a brief summary of the basis for the request (e.g., associated vendor/ industry representative), and signature of the confidentiality agreement and disclosure of interest forms.

Only requests submitted via the CPT Smart App’s [Interested Party Portal](#) will be considered (new request platform).

Any recognized Interested Party who provides written comments must do so no later than the deadlines below and in the Interested Party Portal. Verbal comments can be provided in person at the Panel meeting.

Written comments must be submitted via the CPT Smart App’s [Interested Party Portal](#).

Issues	Tabs	Deadline to Request Materials	Comments Deadline (Noon, CST)
All Non-Pathology Issues	6-30, 33-35, 37-40, 42-80	August 31, 2023	September 7, 2023
Path/Lab	31, 32, 36, 41	July 14, 2023	July 26, 2023

During the time between now and the Panel meeting, the agenda will more than likely be modified to reflect changes (additions, deletions, or updates). Please check back frequently for the most up to date information. Outcomes on these actions will be found in the CPT Editorial Panel Summary of Actions for the September 2023 meeting which will be published on or before October 20 to the [AMA website](#).
