

CPT® Proprietary Laboratory Analyses (PLA) Codes: Medium Descriptors

It is important to note that further CPT Editorial Panel (Panel) or Executive Committee actions may affect these codes and/or descriptors. For this reason, code numbers and/or descriptor language in the CPT code set may differ at the time of publication. In addition, further Panel actions may result in gaps in code number sequencing.

Most recent changes to the CPT® Proprietary Laboratory Analyses (PLA) Medium Descriptor document:

- Deletion of 10 codes (0033U, 0131U, 0132U, 0135U, 0361U, 0508U, 0509U, 0544U, 0550U, 0551U) and addition of 14 codes (0600U–0613U) accepted by the CPT Editorial Panel.
- Revision of the proprietary name for code 0524U.
- Deleted codes in this document appear with a ~~strike through~~.

*Please note there has been no change to the medium descriptor for codes 0035U, 0089U, 0220U, 0288U, 0308U, 0309U, 0310U, 0333U, 03334, 0393U, 0420U, 0503U, 0522U, 0524U, 0596U.
