

CPT® Proprietary Laboratory Analyses (PLA) Codes: Medium Descriptors

It is important to note that further CPT Editorial Panel (Panel) or Executive Committee actions may affect these codes and/or descriptors. For this reason, code numbers and/or descriptor language in the CPT code set may differ at the time of publication. In addition, further Panel actions may result in gaps in code number sequencing.

Most recent changes to the CPT® Proprietary Laboratory Analyses (PLA) Medium Descriptor document:

- Addition of 17 codes (0614U–0630U), revision of 2 codes (0256U, 0580U), and revision of the PLA guidelines accepted by the CPT Editorial Panel.
- Revision of the proprietary and laboratory name for code 0319U.
- Deleted codes in this document appear with a ~~strikethrough~~.

*Please note there has been no change to the medium descriptor for codes 0319U, 0524U.
