

## CPT® Proprietary Laboratory Analyses (PLA) Codes: Short Descriptors

It is important to note that further CPT Editorial Panel (Panel) or Executive Committee actions may affect these codes and/or descriptors. For this reason, code numbers and/or descriptor language in the CPT code set may differ at the time of publication. In addition, further Panel actions may result in gaps in code number sequencing.

### Most recent changes to the CPT® Proprietary Laboratory Analyses (PLA) Short Descriptor document:

- Deletion of 2 codes (0204U, 0353U) and addition of 26 codes (0450U–0475U) accepted by the CPT Editorial Panel.
- Revision to proprietary, laboratory, and/or manufacturer name for code 0047U accepted by the CPT Editorial Panel.
- Deleted codes in this document appear with a ~~strikethrough~~.

\*Please note there has been no change to the short descriptor for codes 0047U, 0351U, 0407U.
