RESOLVED, That our American Medical Association amend Policy G-630.140, “Lodging, Meeting Venues, and Social Functions,” by addition and deletion to read as follows:

AMA policy on lodging and accommodations includes the following:

1. Our AMA supports choosing hotels for its meetings, conferences, and conventions based on size, service, location, cost, and similar factors.

2. Our AMA shall attempt, when allocating meeting space, to locate the Section Assembly Meetings in the House of Delegates Meeting hotel or in a hotel in close proximity.

3. All meetings and conferences organized and/or primarily sponsored by our AMA will be held in a town, city, county, or state that has regulation or enacted comprehensive legislation requiring smoke-free worksites and public places (including restaurants and bars), unless intended or existing contracts or special circumstances justify an exception to this policy, and our AMA encourages state and local medical societies, national medical specialty societies, and other health organizations to adopt a similar policy.

4. It is the policy of our AMA not to hold meetings organized and/or primarily sponsored by our AMA, in cities, counties, or states, or pay member, officer or employee dues in any club, restaurant, or other institution, that has exclusionary policies, including, but not limited to, policies based on, race, color, religion, national origin, ethnic origin, language, creed, sex, sexual orientation, gender, gender identity and gender expression, disability, or age unless intended or existing contracts or special circumstances justify an exception to this policy.

5. Our AMA staff will work with facilities where AMA meetings are held to designate an area for breastfeeding and breast pumping.

6. All future AMA meetings will be structured to provide accommodations for members and invited attendees who are able to physically attend, but who need assistance in order to meaningfully participate.

7. Our AMA will revisit our criteria for selection of hotels and other venues in order to facilitate maximum participation by members and invited attendees with disabilities.

8. Our AMA will report back to the HOD by no later than the 2023 Annual Meeting with a plan on how to maximize meeting participation for members and invited attendees with disabilities. (Modify Current HOD Policy)
