Summary:
- 2 IPPS resolutions adopted by the IPPS Assembly and will advance to the House at A-23

2. Using Personal and Biological Data to Enhance Professional Wellbeing and Reduce Burnout

IPPS Action: Resolution 2 adopted and held back for submission at Annual 2024:

Resolved, that our American Medical Association monitor and report on the research regarding technology, measures, and effective use of personal and biological data which supports professional workforce wellbeing and mitigates burnout (Directive to Take Action); and be it further

Resolved, that our AMA develop ethical guidelines on the collection, use, and protection of personal and biological data for the professional workforce (Directive to Take Action).

3. Addressing Social Determinants of Health Through Closed Referral Systems

IPPS Action: Resolution 3 adopted and held back for submission at Annual 2024:

RESOLVED, that our American Medical Association advocate that the Food and Drug Administration use its authority to require and enforce timely completion of post-marketing trials or studies whenever sponsors rely on surrogate endpoints to support approval (Directive to Take Action); and be it further

RESOLVED, That our AMA advocate that the Food and Drug Administration use its authority to require that pharmaceuticals that received approval using surrogate endpoints demonstrate direct clinical benefit in post-market trials as a condition of continued approval (Directive to Take Action); and be it further

RESOLVED, That our AMA advocate that the Food and Drug Administration require drug manufacturers to make the findings of their post-market trials publicly available (Directive to Take Action).

---

1 Proceedings determined from Annotated Reference Committee Reports and are subject to change until such time as the House of Delegates Proceedings are finalized.
