Report of Committee on Rules and Credentials

Presented by: Shelley Glover, MD, Chair

Friday, November 6, 2026

---

Madam Speaker, Members of the House of Delegates:

Your Committee on Rules and Credentials recommends the following temporary rules for this meeting:

1. Standing Rules
   The current edition of the "House of Delegates Reference Manual: Procedures, Policies and Practices" serves as our standing rules delineating the official method of procedure in handling and conducting the business before the AMA House of Delegates.

2. House Security
   Maximum security shall be maintained at all times to prevent disruptions of the House, and only those individuals who have been properly badged will be permitted to attend.

3. Credentials
   The registration record of the Committee on Rules and Credentials shall constitute the official roll call for this meeting of the House.

4. Order of Business
   The order of business as published in the Handbook shall be the official order of business for all sessions of the House of Delegates. This may be varied by the Speaker if, in their judgment, it will expedite the business of the House, subject to any objection sustained by the House.

5. Privilege of the Floor
   The Speaker may grant the privilege of the floor to such persons as may be presented by the President, or Chair of the Board of Trustees, or others who may expedite the business of the House, subject to objections sustained by the House.

6. Limitation on Debate
   There will be a 90 second limitation on debate per presentation subject to waiver by the Speaker for just cause. The 90 second limitation will also apply to testimony in the in-person reference committee hearings.

7. Conflict of Interest
   Members of the House of Delegates who have an interest that is or may be material to the matter being considered and that would reasonably be expected to impair the objectivity of the individual who is testifying, must publicly disclose that interest immediately prior to testifying at a reference committee on the matter or speaking on the floor of the House of Delegates on the matter.

8. Conduct of Business by the House of Delegates
   Each member of the House of Delegates and the AMA Officers resolutely affirm a commitment to abide by our AMA Code of Conduct.

9. Respectful Behavior
   Courteous, collegial, and respectful behavior in all interactions with others, including delegates, is expected of all attendees at House of Delegates meetings, including social events apart from House of Delegates meetings themselves.

Madam Speaker, this concludes the Report of the Committee on Rules and Credentials and we recommend its adoption.
