Call for Candidates for AMA Nomination for the Liaison Committee on Medical Education

The AMA is soliciting AMA member candidates for nomination by the AMA Board of Trustees for a professional member position with the Liaison Committee on Medical Education (LCME).

TERM
The term of the position is 3 years, beginning July 1, 2022. The term is renewable one time, contingent upon approval of the LCME at the end of the first term.

TIME COMMITMENT ESTIMATES

• Serve on at least one LCME site survey team each year. The survey consists of 4-5 days at the school, estimated 15-20 hours of preparation time and 8 hours post-survey time to prepare the report.

• Attend three LCME meetings each year (October, February, June). Meetings are typically Tuesday through Thursday. LCME members are expected to review survey reports and prepare the reviews for discussion at the meeting. Estimated preparation time for each meeting (typically completed 2 weeks before the meeting) is 10-15 hours. The October and June LCME meetings each year are held in Chicago. The February meeting is held virtually.

• Participate in one or more LCME subcommittees – 6-12 hours each year. (Meetings may be included in the LCME meetings or held by teleconference.)

CRITERIA FOR AMA NOMINATION TO LCME

LCME Requirements for this Opportunity

• Professional members must hold the MD degree or its recognized foreign equivalent, or an advanced degree in basic medical, behavioral, social, or population health science; or educational science.
A practitioner professional member must hold an active medical license and must be actively and significantly engaged in clinical practice while he or she is a member of the LCME.

An educator professional member must hold or recently have held an administrative or faculty position at an LCME-accredited medical education program and must be significantly engaged in teaching or supervising medical students and/or resident physicians while he or she is a member of the LCME.

- Professional members must have knowledge about and experience with both medical education leading to the MD degree in the United States and the LCME's accreditation process, the latter demonstrated by 1) serving as a faculty accreditation lead in preparation for and conduct of an LCME accreditation survey at their own medical school and/or 2) participating satisfactorily as an LCME survey team member.

- Professional members should not hold a leadership position (for example, a member of the governing board or a senior executive officer) in an organization whose role or activities could be perceived as creating a conflict of interest with the role of a professional member of the LCME.

AMA Requirements
Each nominee recommended by the AMA must be a member of the AMA at the time of nomination. If appointed, he/she must maintain AMA member status throughout the term of appointment. AMA membership does not guarantee a position. Non-members may activate their membership online at https://member.ama-assn.org/join-renew/ or call AMA Member Relations at 800.262.3211.
