RE: David Savage, MD/PhD

Dear AMA Resident and Fellow Section:

I proudly endorse Dr. David Savage's candidacy for Speaker of the AMA-RFS Governing Council in 2023-2024. I am the Designated Institutional Official and Program Director of the Scripps Clinic Hematology and Oncology Fellowship. Dr. Savage will be a senior fellow in my Hematology/Oncology Program during his year of service as Speaker. He is in good standing in his training. He will have sufficient time to work on planning the upcoming two meetings of the AMA-RFS in November 2023 and June 2024, and he will be able to take time off as needed to fulfill his duties.

Dr. Savage has been consistently involved in the AMA during his fellowship both as a member of the AMA Council on Medical Education and as an Alternate Delegate for the American Society of Clinical Oncology (ASCO) delegation to the House of Delegates. I am quite confident that he will invest himself fully in this new leadership role while also continuing his training in medical oncology and hematology.

Thank you for considering Dr. Savage for this position. Dr. Savage is an exceptional individual and I have no doubt he will be a highly successful as Speaker for the RFS. I hope you will support him with your vote.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Carrie Costantini'.
