Dear Resident and Fellows Section,

The American Academy of Neurology (AAN) expresses support for the AMA Resident and Fellows Section (RFS) endorsement of Dr. Daniel Lee, MD for the resident member of the Council on Medical Education.

Dr. Lee has been a member of the American Medical Association (AMA) since 2018. Dr. Lee was elected to serve as a Regional Alternate Delegate to the AMA House of Delegates for the Medical Student Section for calendar year 2020 and then served as the Vice Speaker of the AMA Medical Student Section for the 2020-2021 term. During this time, he served as the sole medical student on the AMA House of Delegates Resolution's Committee to assess the urgency of resolutions during the COVID-19 Pandemic.

Dr. Lee currently serves as chair of the AMA RFS Committee on Medical Education. Given his experience and understanding of the AMA and passion for medical education, Dr. Lee is a highly qualified candidate to serve as the resident member on the Council on Medical Education. The AAN enthusiastically supports RFS endorsement of Dr. Lee's candidacy to this position.

Sincerely,

Dr. Orly Avitzur, MD, MBA, FAAN
President, American Academy of Neurology
