

## ADVOCACY 101

The AMA is your healthcare advocacy partner.

As a healthcare advocacy organization made up of dedicated and engaged members, the AMA works to inform lawmakers, guide decision-making and generate support for policies on critical issues that impact medical students, residents, physicians, patients and the healthcare environment at both the national and state levels.

Representing  
physicians with  
a unified voice

Removing  
obstacles that  
interfere with  
patient care

Leading the  
charge to  
confront public  
health crises

Driving the future  
of medicine
