

MSS GC June Meeting Summary

06/08/2022 from 1-3 p.m. CT

Topics Discussed

- Medical Student Outreach Program (MSOP) staff attended the meeting and shared their focus to promote the mission of the AMA and show the value of MSS membership.
- Survey results show that MSS members do not understand the function of the AMA. Social media is a great way to share the mission of the AMA with medical students.
- MSOP and the MSS GC brainstormed solutions to address gaps between student needs and AMA opportunities.
- The MSS GC and MSS Staff are working to collect the passion points of MSS members and share opportunities for further involvement.
