

Meeting Summary
Medical Student Section Governing Council
Thursday, September 16, 2025
7 to 8 PM (Central Time)

- 7:00 PM Adoption of August GC 2025 Meeting Minutes
- 7:05 PM Litigation Center Staff
- The Litigation Center is a collaboration between the AMA and all the state medical societies to advocate for organized medicine in the courts through Amicus Briefs and plaintiffs in select cases.
 - Update provided for current cases the AMA has submitted Amicus Briefs for and current cases the AMA is a plaintiff in
 - How to get involved and stay engaged
 - Litigation center hosts open sessions at both the Annual and Interim meetings.
 - They are happy to share their booklet/PDF with all 70+ cases they are working on.
 - Following the [Advocacy Updates](#) and [Litigation Center's](#) news articles.
 - The Litigation Center needs to know where the state medical society stands and their approach as this can influence the AMA's involvement. The AMA's credibility and the many players in this space are important considerations.
- 7:30 PM Staff Update
- Staff have all been involved in the planning for the Interim meeting.
 - ERAS webinar on Interviewing and Signaling was a success! Planning has begun for the third webinar scheduled for January.
 - Staff have been working with the GRAF for Advocacy in Action Week scheduled for September 29 and 30th.
 - LCME application deadline is September 28th.
- 7:35 PM GRAF Update
- All MSSAIs are completed.
 - Advocacy team has been asked to weigh in on several resolutions for the upcoming Interim meeting.
 - Monitoring changes to PSLF, federal agencies, and upcoming potential government shutdown.
 - Advocacy in Action is coming up September 29 and 30th.
- 7:40 PM BOT Updates
- Met last week and reviewed 20 BOT reports that will be headed into the Interim HOD meeting.

- CDC and ACIP recommendation updates
- Enhanced Premium Tax Credit
 - On Sept 15th the AMA issued a letter with 93 other organizations.
- Establishing process for gathering student stories for immigration and deportations concerns and to educate those on what our rights are.
- The Center for Health Equity is now The Center for Optimal Health Outcomes.
- Council on Long-Range Planning and Development as well as the Task Force to Preserve the Patient-Physician Relationship are having open forums at Interim on Sunday.
- Council Nomination Process for 2026
