

Virtual Meeting Access Quick Reference Instructions

1 Where to Go

- All attendees will log in to **Zoom** for audio/video.
- For those Sections utilizing Lumi (APS, MSS, OMSS, PPPS, RFS, and YPS), you will use two platforms. The links to the Lumi and the Zoom platforms for each meeting are shown below. If you do not intend to testify or vote, you need only login to Zoom.

Quick tips

All attendees:

- We recommend using a laptop, desktop, or MacBook, **instead of a mobile device or tablet.**
- Google Chrome is the recommended browser, and the latest versions of Firefox, Safari and Edge are also supported. **Note that Internet Explorer is not supported by the meeting platform.**

Lumi participants (APS, MSS, OMSS, PPPS, RFS, and YPS):

- Be sure to enter the same first and last name in Zoom as is shown in LUMI.
- **Delegates** will receive their business codes via email.
- **Alternate delegates** should coordinate use of the business code for voting purposes with their delegate, as the code may be used by one person at a time. You may still attend the meeting by entering as a guest.

LUMI	Zoom
------	------

<p>While logged into LUMI, please click on the middle icon in the gray bar at the top of the screen as indicated in the highlight on the image below (do not click on the words Join Speaker Queue)</p>	
 <p>The screenshot shows the top of the LUMI interface. At the top is a dark purple bar with a white 'i' icon. Below it is a gray bar with three icons: a white 'i', a yellow square, and a document icon. The yellow square is highlighted. Below the gray bar is the AMA logo (American Medical Association) and a list of actions: 'View information screen', 'Join Speaker Queue', and 'View Documents'.</p>	
<p>When the speaker opens the queue, you will see the "join speaker queue" in the menu bar. Once you have entered one of the listed action terms in the "ask a question" box at the bottom of the screen, as an alternate you will also need to enter your first and last name and "alternate" (ex PRO JANE DOE ALTERNATE).</p>	<p>The presiding officer will announce the order of speakers. When your name is announced, raise your hand in the ZOOM platform.</p> <p>The Zoom moderator will enable you to "Turn on Camera" when ready for you to speak.</p>
