Subject: AMA-YPS Internal Operating Procedures: 2022 Review Cycle
Presented by: Laura Faye Gephart, MD, MBA, Chair
Referred to: AMA-YPS Reference Committee

1 **Introduction**

2 In accordance with §VII.B.4 of the YPS Internal Operating Procedures (IOP), an ad hoc committee
3 will be constituted to review the IOP every five years. The purpose of this informational report is to
4 delineate the guidelines for IOP review along with the timeline to implement this process.
5

6 **AMA-YPS IOP Guidelines**

7 *Amendments.* Per §XIV.A, the YPS IOP may be amended by language proposed by the YPS
8 Governing Council and/or an Ad Hoc Committee on Internal Operating with the approval of two-
9 thirds of the members of the YPS Assembly present and voting. Since revisions to the YPS IOP
10 must be approved by the AMA Board of Trustees, the YPS Governing Council shall inform the YPS
11 Assembly of any proposed changes that the AMA Board does not approve. Further, §XIV.C of the
12 YPS IOP notes that amendments will be contingent upon corresponding changes to the AMA
13 Bylaws. The YPS Governing Council will keep the Assembly apprised of such modifications.
14

15 *Ad Hoc Committee on Internal Operating Procedures (hereinafter referred to as “ad hoc*
16 *committee”).* According to portions of §VII.B of the YPS IOP, the YPS Governing Council may
17 create an ad hoc committee to review the section’s IOP every five years. The Governing Council
18 can direct the ad hoc committee to make reports with or without recommendations directly to the
19 Assembly or to the Governing Council. Ad hoc committee members will be appointed to serve for a
20 duration of six months to two years. If the original duration is extended, the Governing Council can
21 reassess the membership of this committee.
22
