

Call for Candidates for AMA Nomination for the ACGME Review Committee for Medical Genetics and Genomics

The AMA is soliciting AMA member candidates for nomination by the AMA Board of Trustees for the **Accreditation Council for Graduate Medical Education Review Committee for Medical Genetics and Genomics** (ACGME RC-MGG).

TERM

The term of the position is 6 years, from July 1, 2026, through June 30, 2032.

TIME REQUIREMENT

Nominees must be able to devote sufficient time to the Review Committee's work. The Review Committee typically meets two times per year, usually in December and April, for one to two days. Members must attend all Review Committee meetings.

Nominees will need sufficient time to review program information (an estimated 10 hours for program review assignments for each meeting), participate in subcommittee work (as assigned), prepare for each Review Committee meeting by reviewing agenda items and related documents, travel/attend each meeting, and participate in other activities of the Committee.

Anticipated meeting dates for the new member are as follows:

Review Committee meeting to observe – December 11-12, 2025

Review Committee meeting to observe – March 31, 2026

Two Review Committee meetings per year – Usually during months of December and April

CRITERIA FOR AMA NOMINATION TO ACGME RC-MGG

ACGME RC-MGG Requirements for this Opportunity

1. Nominees **must** be currently certified by the American Board of Medical Genetics and Genomics and **must** have experience as a medical genetics and genomics residency program director or be significantly engaged in resident education.
