

Call for Candidates for AMA Nomination for the ACGME Review Committee for Neurological Surgery

The AMA is soliciting AMA member candidates for nomination by the AMA Board of Trustees for the **Accreditation Council for Graduate Medical Education Review Committee for Neurological Surgery (ACGME RC-NS)**.

TERM

The term of the position is 6 years, from July 1, 2024, through June 30, 2030.

TIME REQUIREMENT

Nominees must be able to devote sufficient time to the Review Committee's work. The Review Committee meets two times per year in person for program review during the months of January and April and one time in August or September, usually by web conference, for interim requests and other RC business. The duration of meetings are 1.5 to 2 days when reviewing programs or when a retreat or business meeting is associated with the program review meeting. Web conferences may be between 2 to 4 hours in length with the possibility that they may take place as an in-person meeting when needed. Members must attend all Review Committee meetings.

Nominees will need sufficient time to fulfill the responsibilities to the Committee. This includes: an estimated 30-40 hours for program review assignments (up to 10-15 full reviews per meeting), subcommittee work (as assigned), as well as prep time for each RC meeting to review agenda items (and related documents) and actual travel/attendance to each Review Committee meeting.

Anticipated dates for ACGME Review Committee Activities:

- One Review Committee meeting as an observer and orientation – August 2024
- Two Review Committee accreditation meetings per year – usually during January and April
- One additional virtual meeting – in August
