Call for Candidates for AMA Nomination for the ACGME Review Committee for Plastic Surgery

The AMA is soliciting AMA member candidates for nomination by the AMA Board of Trustees for the Accreditation Council for Graduate Medical Education Review Committee for Plastic Surgery (ACGME RC-PS).

TERM
The term of the position is 6 years, from July 1, 2023, through June 30, 2029.

TIME REQUIREMENT
Nominees will need sufficient time to fulfill the responsibilities to the Committee. This includes: an estimated 30 hours for program review assignments, subcommittee work as assigned, conference calls, prep time for each Review Committee meeting to review agenda items with related documents and travel/attendance to each Review Committee meeting.

Review Committee members must attend one observational meeting, an ACGME orientation, and all Review Committee meetings. The Review Committee meets at least twice per year for program review (usually during the months of January and April). The duration of the meeting is 2 days when reviewing programs and if applicable, 3 days when a retreat or business meeting is associated with the program review meeting.

Anticipated meeting dates for ACGME new member orientation and Review Committee activities:
- ACGME new member orientation – January 25, 2023
- Review Committee meeting to observe – January 26-27, 2023; May 4-5, 2023
- Two Review Committee meetings per year – During January and April/May

CRITERIA FOR AMA NOMINATION TO ACGME RC-PS

ACGME RC-PS Requirements for this Opportunity
1. Nominees must be currently certified by the American Board of Plastic Surgery, currently active in clinical practice, actively involved in graduate medical education
(GME), and demonstrate substantial experience in administration. Additionally, nominees should demonstrate a solid record of published scholarly activity.

2. Nominees with experience in craniofacial, pediatrics, transplantation, maxillofacial and/or hand are preferred.

3. The Review Committee for Plastic Surgery affirms its commitment to diversity and inclusion and encourages nominees from underrepresented groups.

4. The Review Committee seeks diversity in geographic representation and while the Review Committee may have up to two members from the same state, they may not be from the same institution or city/metropolitan area. Accordingly, individuals from the following institutions and areas are ineligible for nomination:

- University of California San Diego – San Diego, CA
- Medstar Georgetown – Washington, DC
- University of Michigan – Ann Arbor, MI
- Washington University St. Louis – St. Louis, MO

- Virginia Commonwealth – Richmond, VA
- University of Washington – Seattle, WA

5. Nominees must participate in major plastic surgery societies, program director associations, or other national professional organizations and/or societies.

6. Nominees must have at least 5 years’ experience as a program director or in a senior leadership position with no more than 3 years since serving in that capacity. Additionally, nominees should have knowledge of the accreditation process. Each nominee’s current program must have the status of continued accreditation.

7. Nominees must be skilled in the use of computers. Review Committee members use electronic systems for most accreditation activities (e.g., program reviews) and for reimbursement of expenses.

8. Nominees must have knowledge and skills in analysis of data sets and a basic knowledge of interpreting statistics regarding resident experience and program performance for accreditation.

9. Nominees will need sufficient time to fulfill the responsibilities to the Committee. This includes: an estimated 30 hours for program review assignments, subcommittee work as assigned, conference calls, prep time for each Review Committee meeting to review agenda items with related documents and travel/attendance to each Review Committee meeting.

10. Review Committee members must attend one observational meeting, an ACGME orientation, and all Review Committee meetings. The Review Committee meets at least twice per year for program review (usually during the months of January and April). The duration of the meeting is 2 days when reviewing programs and if applicable, 3 days when a retreat or business meeting is associated with the program review meeting.

**AMA Requirements**

Each nominee recommended by the AMA must be a member of the AMA at the time of nomination. If appointed, he/she must maintain AMA member status throughout the term of
appointment. AMA membership does not guarantee a position. Non-members may activate their membership online at https://member.ama-assn.org/join-renew/ or call AMA Member Relations at 800.262.3211.
