To Whom it May Concern:

Sanjeevani Tomar is currently a PGY-2 resident in excellent standing in the University at Buffalo's Internal Medicine Training Program. Dr. Tomar possesses excellent clinical skills, beyond her expected level of training. She is also an active resident leader, serving on our program's curriculum, recruitment and health equity committees. Dr. Tomar had been selected to serve in the role of Health Equity Champion in the next academic year and will be leading on our program's corresponding curricula and advocacy events. I give her my highest recommendation to serve on the AMA Resident and Fellow Section (AMA-RFS) Governing Council. I acknowledge the time commitment involved in a Governing Council position and again verify that Dr. Tomar is a resident in excellent standing.

Sincerely,

A handwritten signature in black ink, appearing to be 'Alysia V. Kwiatkowski'.

Alysia V. Kwiatkowski DO, MS
Senior Associate Program Director, Internal Medicine Training Program
Assistant Professor of Medicine, University at Buffalo
