LEADERSHIP EXPERIENCE

Chief Resident: Beth Israel Deaconess Medical Center, Harvard Medical School March 2023 – Present

- Cultivate and inspire a commitment to scholarship, clinical excellence, and departmental service among the residents and interns.
- Serve as a liaison between residents, faculty, and BIDMC/HMS personnel.
- Collaborate with co-chief residents to fulfill educational, social, and administrative duties, as well as address issues of global impact to the residency program.
- Solicit feedback from colleagues in order to inform and guide departmental policies and procedures.
- Ensure information and policy dissemination to all residents and interns.
- Assist Department Chair, Program Director and other administrative staff in developing and implementing program policy, as well as identify and appoint additional resident leaders.
- Teach and mentor trainees both inside and outside of the clinical setting.
- Assist in the design, improvement, and delivery of didactic and other formalized education
- Represent resident interests as a member of the Education Committee.
- Coordinate clinical affairs with the Graduate Medical Education Committee, House Officer Association, House Officer Association Diversity Committee and Graduate Medical Education Executive Committee
- Conduct resident recruitment tours and applicant interviews.
- Create call schedules in coordination with the Resident Schedule Administrator and identify replacements accordingly.

- Resident Ambassador: ASRA Pain Medicine** March 2022 – Present
- Elected as a member at large, resident ambassador and member of the social media council on the ASRA Pain Medicine Resident Section Committee.
 - Responsible for widening the reach of ASRA Pain Medicine among students, residents, and other pain practitioners through various in person and social media initiatives.

- Chair: Resident and Fellow Wellness Committee** March 2022 – Present
- The BIDMC Anesthesia Resident and Fellow Wellness Committee is responsible for organization of department-wide wellness events with the goal of promoting a balanced work environment that emphasizes resident mental wellness. Selected by the residency program leadership.
 - Responsible for organizing several events including departmental barbeque, hikes, and department family day. Provided mentorship and peer support to junior residents.

- Resident Champion: Environmental Sustainability Committee** May 2022 - Present
- The BIDMC Environmental Sustainability Committee is responsible for ensuring that the hospital complies with local environmental laws and regulations in conjunction with optimizing departmental costs. Served as the point person for the Department of Anesthesia, Critical Care and Pain Medicine.
 - Lead on anesthesia-related initiatives including eliminating nitrous gas lines and converting to portable canisters, changing disposal policies for sharps and syringes, and reducing post-op paper waste.

President & Founder: Project Prevail March 2017 – March 2020
University of Massachusetts Medical School, Worcester MA

President: Worcester Free Clinic Coalition January 2017 – January 2018
University of Massachusetts Medical School, Worcester MA

WORK AND RESEARCH EXPERIENCE

Resident Researcher: Beth Israel Deaconess Medical Center, Boston MA March 2022 – Present
Mentor: Thomas Simopoulos, MD, Department of Anesthesia, Critical Care and Pain Medicine

- Collaborated on a retrospective chart review study examining biological and device complication rate for recipients of spinal cord stimulators implanted at BIDMC between 2016 and 2021.
- Responsible for chart review and data collection.
