**Morgan Cassidy, MHA, MPH, JM (She/Her)**

VP-Clinic Operations, River Valley Health formerly Cherokee Health Systems

[morgan.cassidy@rvh.org](mailto:morgan.cassidy@rvh.org)

I have a background in health administration and public health from Emory University and the University of Missouri (go Tigers!!). For the past four years, I have been working with River Valley Health in various roles, now serving as VP of Clinic Operations. In this role, I focus on making the system run smoothly and effectively. With a mix of hands-on experience and academic training, I am passionate about improving care, streamlining operations, and navigating the complex world of health care. In my spare time, I enjoy time with family, summers on the lake and time with our furry children. We are expecting our first child in October, and I am certain she will become my new favorite thing.

**Megan Crawford, DO (She/Her)**

Physician, Endeavor Health

[megan.crawford.1@gmail.com](mailto:megan.crawford.1@gmail.com)

After training at Rush for internal medicine and the Cleveland Clinic for endocrine fellowship, I have been in clinical practice for eight years at Endeavor in the Chicago area. I have a passion for making things better for both patients and those who care for them, including the health care team.

**Sreevalli Dega, MD**  
**Statesboro Urgent Care**

[sreevalli.dega@gmail.com](mailto:sreevalli.dega@gmail.com)

My name is Sreevalli [Sreelu] Dega, originally from India, international medical graduate, FM board certified, living in GA and working full-time in urgent care.

**Anuradha Duleep, MD (She/Her)**  
**Medical Director Neurology Clinics, Associate Professor of Neurology, SUNY Upstate, Syracuse**

[duleepa@upstate.edu](mailto:duleepa@upstate.edu)

Hi! I'm a general neurologist from SUNY Upstate in Syracuse, New York. I'm an associate professor and practice both inpatient and outpatient. I am the medical director of neurology clinics, quality lead for the department and division chief of neurology at Upstate's Community Campus.

**Aza Fahed, MD (She/Her)**  
**DCMO/Pediatrician, STRIDE CHC**

[afahed@stridechc.org](mailto:afahed@stridechc.org)

Pediatrician with over 19 years of experience, with a passion to serve the underserved and the newcomer population, and Deputy Chief Medical Officer at STRIDE for over one year.

**Christi Fitzgerald, CHCEF (She/Her)**  
**Chief Operations Officer, STR**

[christi.fitzgerald@stridechc.org](mailto:christi.fitzgerald@stridechc.org)

With more than two decades of experience in Colorado Federally Qualified Health Centers, Christi's focus at STRIDE is positively contributing to the patient experience through operational efficiencies that are focused on creating and maintaining a healing environment for the patients who trust our organization with their health care. Christi is an Executive Fellow in Community Health, as designated by the Department of Health Care Policy and Finance at the University of Kansas, with significant experience in Revenue Cycle, Information Technology, Analytics and Health Center Operations.

**Belise Fundi, MS, MBA (She/Her)**  
**Data Analyst and Project Management Intern, ChristianaCare**

[belise.fundi@christianacare.org](mailto:belise.fundi@christianacare.org)

After several years of experience in various IT and Business roles, I decided to focus on understanding business analysis and information management. I'm now interested in developing my skills in data management frameworks, analyzing technical data, and integrating Business Continuity Management in different fields.

### **Jeremiah Gaddy, MD (He/Him)**

**Ambassador - Best Place to Care, Medical Director of Safety and Security, Advocate Health**

[jeremiah.gaddy@advocatehealth.org](mailto:jeremiah.gaddy@advocatehealth.org)

I am an Emergency Medicine physician by training. Became interested in morale and the impact of the work environment on health care teams when I was the ED medical director in Bagram, Afghanistan. After separating from the military, I have since had the privilege of working as an ED operations medical director at a large tertiary hospital, working with the well-being initiative “Best Place to Care” as an ambassador, and now as faculty and Medical Director of Safety and Security at Wake Forest Baptist Medical Center. I look forward to learning from this experience!

### **Amy Jibilian, MD (She/Her)**

**Chief Wellness Officer, Lehigh Valley Health Network**

[catsnamy@sbcglobal.net](mailto:catsnamy@sbcglobal.net)

I had a beautiful career as a general pediatrician for thirty years. I stepped down from my clinical practice in 2021 and transitioned into the role of Chief Wellness Officer for Lehigh Valley Health Network in 2023.

### **Seunghwan Kim, MD (He/Him)**

**Pediatrician, Amistad Community Health Center**

[seunghwan.kim@amistadchc.org](mailto:seunghwan.kim@amistadchc.org)

I am a lead general pediatrician at an FQHC in South Texas. Our practice recently expanded its size quickly from five to ten providers (six MDs and four NPs) and has three offices. We serve mainly low socioeconomic populations, 25% are uninsured, 60% are Medicaid. As a lead for the pediatric department, I am being supervised by the CMO of the clinic and love to learn what and how to think for this growing practice while supporting colleague providers and staff.

### **Anicka Kolarik, MD (She/Her)**

**Medical Director, River**

[annie.kolarik@rvh.org](mailto:annie.kolarik@rvh.org)

Annie Kolarik is a family medicine physician and medical director at River Valley Health, an FQHC in East Tennessee. She is passionate about full-spectrum family medicine, integrated care, and care of the LGBTQ+ community. In her free time, she enjoys baking, theater, and traveling. She lives in Knoxville with her husband, daughter, and dogs.

### **Sharron Mirco**

**Practice Manager, Endeavor Health**

[sharronmirco@gmail.com](mailto:sharronmirco@gmail.com)

I’m very passionate about everything I do. I love coffee and reading, and I enjoy spending time learning and discovering new things. I put my heart into both my personal and professional life, and I strive to bring enthusiasm and dedication to everything I take on.

**Kimia Nankali, PhD Student (She/Her)**  
Graduate Research Associate, ChristianaCare Health System

[kimia.nankali@christianacare.org](mailto:kimia.nankali@christianacare.org)

I am a Ph.D. student in Systems Science and Industrial Engineering at the State University of New York at Binghamton, and a Graduate Research Associate at ChristianaCare Health System. My research focuses on predicting hospital length of stay and discharge outcomes using multimodal health care data. I also integrate machine learning, simulation, and health care operations to drive system-level improvements. I am actively involved in hospital-based quality improvement projects and collaborate with cross-functional teams to optimize care delivery, resource planning, and patient outcomes.

**Alan Reed, APN, FNP, PMHNP (He/Him)**  
Deputy Director of Nursing, Stride Community Health Center

[alan.reed@stridechc.org](mailto:alan.reed@stridechc.org)

Alan Reed is a practicing Mental Health Nurse Practitioner and the Deputy Director of Nursing at a Federally Qualified Health Center in the Denver-Metro area. He brings a sharp, pragmatic approach to leadership—constantly challenging the status quo and driving operational improvements. Alan designs and implements high-functioning, scalable care models that emphasize team-based collaboration and long-term sustainability. His work blends clinical insight with systems thinking to strengthen care delivery and workforce performance.

**Michael Virata, MD (He/Him)**  
Associate Professor, Yale School of Medicine

[michael.virata@yale.edu](mailto:michael.virata@yale.edu)

Dr. Virata is a full-time faculty member at Yale School of Medicine. He is an Associate Professor of Clinical Internal Medicine in the Department of Internal Medicine, Section of Infectious Diseases at Yale, and the Program Director for HIV Care and Prevention services at Yale-New Haven Hospital (YNHH). He is also a Medical Director at the Yale Center for Infectious Disease (YCID).

**Betsy Winga, MD, MBA (She/Her)**  
VP Medical Informatics, CMIO, Advocate Health

[betsy.winga@aah.org](mailto:betsy.winga@aah.org)

Graduated from medical school in 2001 and practiced OB/GYN full-time from 2005 to 2018, when I transitioned to an informatics role. My focus with informatics has been primarily in the ambulatory world. One of my recent projects involved rolling out DAX Copilot for all our physician/APP users.
