Notice from the USAN Council Secretariat

USAN Fee-for-Service Changes

As of January 1, 2024, the fee-for-service for obtaining a United States Adopted Name (USAN) will be assessed according to the following schedule:

- Naming a new single-entity drug, including a compound that has been assigned an International Nonproprietary Name (INN), pharmaceutical aid, or suture material ........................................... $18,000.00
- USAN modified (name for a salt, ester, or enantiomer/racemate of a drug for which a USAN already exists) ............................................................................................................................... $10,000.00
- USAN revised (revision of support information used to define a USAN or USAN modified) $ 5,000.00

As of January 1, 2024, the fee-for-service for processing contact lens materials is:

- Name for a new contact lens polymer .............................................................................. $18,000.00
- USAN modified (name for a contact lens polymer for which an adopted USAN already exists or USAN revised (revision of support information used to define a USAN or USAN modified) $ 10,000.00

Wire payments should be addressed “American Medical Association/USAN”. Please send applications, proof of fee payment and supporting documentation via email to USAN@ama-assn.org; For electronic payment information please contact AMA.treasury@ama-assn.org. Please feel free to contact USAN staff to answer any additional questions.

PLEASE DO NOT SEND CHECKS
