CALL FOR APPLICATIONS

Women’s Wellbeing through Equity and Leadership Project (WEL)

JOIN OUR THIRD COHORT

WEL is a collaborative effort between 10 national US associations. WEL leaders are seeking a diverse group of 30 women physicians who will engage in networking, mentorship, and training around wellbeing, equity, and leadership.

WEL is funded by The Physicians Foundation and will foster the development of the next wave of women physician leaders to build a healthier, more equitable work environments and experiences.
